Moms are under so much pressure. Pressure that weighs us down and threatens to wipe us out. Are you ready for relief? Mom Set Free will empower you to parent in the confidence of God's grace and to experience the freedom you were created for. We moms are told that we have to get it all right so our kids turn out right. We're told that their entire futures are riding on our ability to perfectly orchestrate their lives. And we're told that the strength of their faith hinges on ours. And we begin to believe that if we just try hard enough, we can actually "be enough." These impossible standards

leave us stuck in worry, anger, guilt, comparison, and shame. Jeannie Cunnion gets it. And in Mom Set Free she reveals how the Good News of the Gospel empowers us to live—and parent—in the freedom for which Christ has set us free. Jeannie invites us to journey alongside her as we learn to: * Lay down what God has not asked us to carry so we can thrive in what He has. * Embrace our significance in our children's lives in light of God's sovereignty. * Trust God with the children He has entrusted to us. * Receive God's grace so we can reflect God's heart to our kids. It's time to breathe deeper, walk lighter, and reclaim the wonder and

adventure of parenting.

An invitation for overachievers to discover what it means to rest as God's daughters without compromising their God-given design as doers.
Are you a Martha who feels guilty for not being a Mary? Do you want to sit

at Jesus's feet as Mary did—but you feel the need to get things done? In Made Like Martha, Katie M. Reid invites you to exchange try-hard striving for hope-filled freedom without abandoning your doer's heart in the process. Through her own story and rich biblical illustrations, Katie reminds you that it's not of strength and important whether you sit and listen or stand and work. What matters is that your spiritual posture is one of a beloved daughter who knows she doesn't need to earn God's love. Your desire to get things done is not something to temper but something to embrace as you serve from a place of strength and peace—knowing Christ already did His most important work for you on the cross. With "It Is Finished" activities at the end of each chapter and a five-week Bible study included, Made Like Martha helps you find rest from striving even as you celebrate your God-given design

to “do.”

After an

marred by family trauma and addiction, Nina can't help but feel responsible for those suffering around her. How can she break this pattern? If she leaves K, has she failed him? Writing in prose at once unflinching and acrobatic, Aron delivers a piercing memoir of romance and addiction, drawing on intimate anecdotes as well as academic research to crack open the long-feminized and overlooked phenomenon of codependency. She shifts between visceral, ferocious accounts

of her affair with K and introspective analyses of the part she plays in his addictions, as well as defining moments in the history of codependency, from the temperance movement to the formation of Al-Anon to more recent research in the psychology of addiction. Good Morning, Destroyer of Men's Souls is a blazing, bighearted book that illuminates and adds nuance to the messy tethers between femininity, enabling, and love. Praise for Good Morning,

Destroyer of Men's Souls "Unflinching . . . Aron writes in gripping prose about the thrills and dangers of her own substance use and relationship with K—their weak-kneed passion and wolfish needs, as well as her guilt-ridden enabling and savior-complex optimism."—San Francisco Chronicle "In Nina Renata Aron's scorching, unvarnished memoir, an addiction story gets spun from the perspective of the helpless partner, the lover too stuck in a dangerous dynamic to find

For the weary, the angry, the anxious, and the hopeful, this collection of moving, tender prayers offers rest, joyful resistance, and a call to act, written by Barbara Brown Taylor, Amena Brown, Nadia Bolz-Weber, and other artists and thinkers, curated by the author Glennon Doyle calls “my favorite

faith writer.” It’s no secret that we are overworked, overpressured, and edging toward burnout. Unsurprisingly, this fact is as old as time—and that’s why we see so many prayer circles within a multitude of church traditions. These gatherings are a trusted space where people seek help, hope, and peace, energized by God and one another. This book, curated by acclaimed author Sarah Bessey, celebrates and honors that prayerful tradition in a literary form. A companion for all who feel the immense joys and challenges of the

journey of faith, this collection of prayers says it all aloud, giving readers permission to recognize the weight of all they carry. These writings also offer a broadened imagination of hope—of what can be restored and made new. Each prayer is an original piece of writing, with new essays by Sarah Bessey throughout. Encompassing the full breadth of the emotional landscape, these deeply tender yet subversive prayers give readers an intimate look at the diverse language and shapes of prayer.

Suffering is real. But so
is hope. Kristen and
Sarah have walked
through, and are

times. So these thirty biblical reflections are full of realism about the hurts of life yet overwhelmingly full of hope about the God who gives life. This book will gently encourage and greatly help any woman who is struggling with suffering whether physical, emotional or psychological, and whether for a season or for longer. It is a book to buy for yourself, or to buy for a member of your church or friend. For anyone who is hurting, this book will give hope, not just for life beyond the suffering, but for life in the suffering. Each chapter contains a biblical reflection, with questions and prayers, and a space for journaling.

What if it is death that teaches us how to truly live? Keeping the end in mind shapes how we live our lives in the here and now. Living life backward means taking the one thing in our future that is certain—death—and letting that inform our journey before we get there. Looking to the book of Ecclesiastes for wisdom, *Living Life Backward* was written to shake up our expectations and priorities for what it means to live “the good life.” Considering the reality of death helps us pay attention to our limitations as human beings and receive life as a wondrous gift from

God—freeing us to live wisely, generously, and faithfully for God’s glory and the good of his world. *Wild and Free* B&H Publishing Group A candid exploration of the genius, shame, and celebrity of Whitney Houston a decade after her passing On February 11, 2012, Whitney Houston was found submerged in the bathtub of her suite at the Beverly Hilton Hotel. In the decade since, the world has mourned her death amid new revelations about her relationship to her Blackness, her sexuality, and her addictions. Didn’t *We Almost Have It*

All is author Gerrick Kennedy’s exploration of the duality of Whitney’s life as both a woman in the spotlight and someone who often had to hide who she was. This is the story of Whitney’s life, her whole life, told with both grace and honesty. Long before that fateful day in 2012, Whitney split the world wide open with her voice. Hers was a once-in-a-generation talent forged in Newark, NJ, and blessed with the grace of the church and the wisdom of a long lineage of famous gospel singers. She redefined “The Star-Spangled Banner.” She became a box-

office powerhouse, a queen of the pop charts, and an international superstar. But all the while, she was forced to rein in who she was amid constant accusations that her music wasn't Black enough, original enough, honest enough. Kennedy deftly peels back the layers of Whitney's complex story to get to the truth at the core of what drove her, what inspired her, and what haunted her. He pulls the narrative apart into the key elements that informed her life—growing up in the famed Drinkard family; the two romantic relationships that

shaped the entirety of her adult life, with Robyn Crawford and Bobby Brown; her fraught relationship to her own Blackness and the ways in which she was judged by the Black community; her drug and alcohol addiction; and, finally, the shame that she carried in her heart, which informed every facet of her life. Drawing on hundreds of sources, Kennedy takes readers back to a world in which someone like Whitney simply could not be, and explains in excruciating detail the ways in which her fame did not and could not protect her. In the time since

her passing, the world and the way we view celebrity have changed dramatically. A sweeping look at Whitney's life, *Didn't We Almost Have It All* contextualizes her struggles against the backdrop of tabloid culture, audience consumption, mental health stigmas, and racial divisions in America. It explores exactly how and why we lost a beloved icon far too soon. Running on Empty Harvest House Publishers "How did I get here?" These are the words of many Christian men on the brink of burnout or in the midst of breakdown. They are exhausted, depressed, anxious,

stressed, and joyless. Their time is spent doing many good things, but their pace is unsustainable—lacking the rest, readjustment, and recalibration everyone needs on a regular basis. But there is good news: God has graciously provided a way for men to reset their lives at a more sustainable pace. Drawing on his own experiences—and time spent with other men who have also experienced burnout—pastor David Murray offers weary men hope for the future, helping them identify the warning signs of burnout and offering practical strategies for developing patterns that help them live a grace-paced life and reach the finish line with their joy intact. Do you find yourself questioning how God feels about you after a particularly sinful day? Do you wonder if you need to do something to get back into his good graces? Listen in on Paul's conversation with the churches in Galatia as he tells them over and over how they are saved and stay saved only by Christ's work, not theirs. Through Old Testament saints, word pictures, and even shocking language, Paul will convince you that Jesus's work was enough, and will always be enough, not only to pay for your offenses against God, but by the Holy Spirit to make you a new creature. Galatians is a combination of Christine's ability to unpack Scripture in

deep, practical ways and Hope's ability to create questions that guide the reader and apply God's Word. Designed to be an approachable Bible study for women in every season. Galatians is an ancient text for today's weary women. This study is an antidote to our age of self-help. God's Word, alongside Hope and Christine's commentary, bids us over and over to trust in Christ's finished work. What a relief; what good news. Every morning we are greeted with a long list of to-dos: get the kids up and out the door on time, have a meaningful quiet time, put in a full day at the office, spend an hour at the gym, prepare a healthy and delicious meal (organic and locally grown, of course), and make sure the sink sparkles

before you go to bed. Oh, and don't forget to look great and smile while you're doing it. These are all good things to do, of course. But the bigger problem occurs when we start to feel as if our worth is measured by our to-do lists. And the messages we receive at church, on Facebook, and from the media only perpetuate these unrealistic expectations, creating a relentless cycle of exhaustion. As Elyse Fitzpatrick has traveled this country, she has seen increasing evidence of this weariness epidemic invading our churches and communities. And she has good news for women everywhere: there is hope! God doesn't judge us by our to-do lists. Instead, He calls us to faith. Free yourself today

from the endless stream of bad advice and discover the true rest God offers. Mom Set Free Image In The Everlasting Man, G. K. Chesterton paints the full panorama of human history in light of Christian tradition--Amazon. Made Like Martha Thomas Nelson What does the Bible say about the value of women? Does the Bible teach that women are as valuable as men or does it portray them as somehow more flawed, more suspect, or weak and easily deceived? Beginning from Genesis and working all the way

through the storyline of the Bible, Worthy demonstrates the significant and yes, even surprising, ways that God has used women to accomplish His kingdom goals. Because, like men, they are created in His image, their lives reflect and declare His worth. Worthy will enable and encourage both men and women to embrace this true and lofty vision of God's creation, plan, and their value in His eyes. Bestselling author Elyse Fitzpatrick and pastor Eric Schumacher together invite

women to embrace a transformative and empowering view of their Maker, themselves, and the church. But this isn't only a book for women. It is also a book for men, especially leaders, who want to grow in their understanding of God's perspective on women, people who normally make up the majority of their congregations; men who might be wondering if they've missed something amid the abuse scandals that are rocking the church. Might the headlines they're reading today about abuse have

their roots in a denigration of the value and worth of women? Worthy: Celebrating the Value of Women will help every reader see the value, place, and calling of women through study questions and a "Digging Deeper" section that will help men and women discover how to cherish, value, and honor one another for God's glory. [Give Them Grace](#) Tyndale House Pub " Why does the church stir up such negative feelings? " Philip Yancey has been asking this all his

life as a journalist. His perennial question is more relevant now than ever: in a twenty-year span starting in the mid-nineties, research shows that favorable opinions of Christianity have plummeted drastically—and opinions of Evangelicals have taken even deeper dives. The end of the politics-oriented Evangelicalism that was so dominant in the second half of the 20th century is a strong example that we are living in a post-Christian culture. Yet while the opinions about Christianity are

dropping, interest in spirituality is rising. Why the disconnect? Why are so many asking, “What’s so good about the “Good News?” Yancey’s writing has focused on the search for honest faith that makes a difference for a world in pain. In his landmark book *What’s So Amazing about Grace* he issued a call for Christians to be as grace-filled in their behavior as they are in declaring their beliefs. But people inside and outside the church are still thirsty for grace. What the church lacked in its heyday is now exactly what it needs to recover to thrive. Grace can bring together Christianity and our post-Christian culture, inviting outsiders as well as insiders to take a deep second look at why our faith matters and about what could reignite its appeal to future generations. How can Christians offer grace in a way that is compelling to a jaded society? And how can they make a difference in a world that cries out in need? Yancey aims this book at Christian readers, showing them how Christians have lost respect, influence, and reputation in a newly post-Christian culture. “Why do they hate us so much?” mystified Americans ask about the rest of the world. A similar question applies to evangelicals in America. Yancey explores what may have contributed to hostility toward Evangelicals, especially in their mixing of faith and politics instead of embracing more grace-filled ways of presenting the gospel. He offers illuminating stories of how faith can be expressed in ways that disarm even

the most cynical
critics. Then he
explores what is
Good News and
what is worth
preserving in a
culture that thinks it
has rejected
Christian faith.
