The Digital Darkroom Pearson Education

What if I told you there was a way you could acquire land, completely for free? This book is a detailed explanation of how to claim land through the process of adverse possession. It is designed to take you from a mild interest in the subject to being a fully fledged owner of your own piece of land, which you acquired free of charge. It will describe how to claim unregistered, unowned or abandoned land as your own, legally. Every morsel of information you may need for every little step of your journey has been compiled into a manual that will hold your hand through the entire process of finding a suitable piece of land for your needs, placing your claim, getting it in your name legally, obtaining planning permission if necessary, using it, living on it and includes solutions to all the obstacles along the way. The book details examples of my own experience of claiming land in the UK, but the information is relevant to the adverse possession laws in many other countries, including Ireland, the USA, Canada, Australia and New Zealand. This book will change your life. Good luck to all in your search for freedom through the acquisition of free property and land!
