GoPro HERO 8 Black: How To Use The GoPro HERO 8 Black First Rank Publishing
This guide book explains all operations, features, menus, and controls of the Canon PowerShot S110 camera, providing information about how to accomplish things with the camera as well as when and why to use certain features. The book explains topics such as autofocus, manual focus, depth of field, aperture priority, shutter priority, HDR (High Dynamic Range) photography, white balance, ISO, and macro photography, in the context of getting great results with Canon ’ s highly pocketable camera. The book gives details about how to take advantage of the camera ’ s varied array of “ Scene ” and “ Creative Filters ” shooting settings. The guide ’ s more than 300 photographs, almost all in full color, illustrate the camera ’ s controls and menus and include examples of the photographs that can be taken using the S110 ’ s many options, including the Creative Filters settings, which alter the color processing and other aspects of images; menu options such as i-Contrast and digital zoom; and the camera ’ s strong features for continuous shooting. In addition, the book goes beyond the realm of everyday photography with introductions to topics such as infrared photography, street photography, and using the Raw format, which permits a wide range of adjustments to images after they have been captured. The book also explains the video recording abilities of the PowerShot S110, which can record high-definition (HD) video with stereo sound and can take “ Super Slow Motion ” movies that slow down action by a factor of eight. In three appendices, the book discusses accessories, including cases, a filter adapter, and external flash units; contains a list of useful web sites and other resources; and includes helpful “ quick tips ” that give particular insights into how to take best advantage of the camera ’ s features.

Vanishing Asia Kaisanti Press

This is a 3-volume set of oversize books that span the continent of Asia. Ancient and beautiful traditions in Asia that are rapidly disappearing are recorded here in 9,000 images on 1,000 pages. The author has visited 35 countries in Asia and has travelled to the end of the road in its most remote places to capture the costumes, architecture, festivals, and lifestyles that are vanishing. The diverse cultures range from Turkey in the west to Japan in the east, from Siberia in the north to Indonesia in the south, and everything in between. Volume 1 covers West Asia, Volume 2 Central Asia, and Volume 3 East Asia. Every one of its 1,000 pages is uniquely designed, and every one of its 9,000 images is captioned. This is an ambitious and extreme passion project that the author/photographer has worked on for 49 years. Many of the scenes depicted in the book are now gone from the world, and others are becoming rarer by the day. There is no other book like it.
