Hohenzollern Castle, Germany -
Europe - Architecture ...

Renaissance cathedrals and
churches gradually replaced
Gothic cathedrals, and the
original cathedrals, such as
Notre Dame, experienced many
modifications or fell into
ruin. However, in the mid-19th
century, in large part due to

the novel Notre Dame de Paris ,
better known in English as The
Hunchback of Notre-Dame , by
Victor Hugo , there was a new
wave of interest in the Gothic
cathedral.

The Gothic Cathedral focuses on the interaction between design and the requirements of patrons, following the creative processes of architects by reconstructing the problems and opportunities which faced them. Christopher Wilson presents the essential facts on such aspects as chronology, structural techniques and stylistic developments and then goes further, seeing the story as a sequence of ...

I've been busy designing new 28mm-30mm papercraft models for fantasy and medieval wargames. Most of these will work for Napoleonic, World War I and World War II games, too. Check out DavesGames.Net for my full collection. These are available through Ecardmodels.com, as well as Wargame Vault, DriveThruRPG and RPGNow. I'm also planning to sell my files through Paizo starting in April.
