Government and Not-for-Profit Accounting: Concepts and ...

- Goal of government and not-for-profit is to provide services for the betterment of society
- Goal of business is to earn profit
- No direct and proportional relationship between resources provided and the benefits received.
- Absence of transferable ownership rights.
- Collective ownership by constituents.

Similar to a nonprofit, a not-for-profit organization (NFPO) is one that does not earn profit for its owners. All money earned through pursuing business activities or through donations goes right back into running the organization. However, not-for-profits are not required to operate for the benefit of the public good.
