Packages Access codes for Pearson's MyLab & Mastering products may not be included when purchasing or renting from companies other than Pearson; check with the seller before completing your purchase. Used or rental books If you rent or purchase a used book with an access code, the access code may have been redeemed previously and you may have to purchase a new access code. Access codes Access codes that are purchased from sellers other than Pearson carry a higher risk of being either the wrong ISBN or a previously redeemed code. Check with the seller prior to purchase. -- Updated in a new 2011 Alternate edition, *American Government: Roots and Reform* provides the historical context students need to understand our government and the most crucial and controversial issues affecting the nation in the 21st century. This bestselling book has been extensively revised to provide in-depth coverage of President Barack Obama's first two years in office and the 111th Congress, the 2010 congressional elections, continued concerns related to the wars in Iraq and Afghanistan, and domestic concerns related to health care reform and the economy.

American Government 3e Cengage Learning

The seventeenth edition of *Party Politics in America* continues the comprehensive and authoritative coverage of political parties for which it is known while expanding and updating the treatment of key related topics including interest groups and elections. Marjorie Hershey builds on the book's three-pronged coverage of party organization, party in the electorate, and party in government and integrates contemporary examples—such as campaign finance reform, party polarization, and social media—to bring to life the fascinating story of how parties shape our political system. New to the 17th Edition Fully updated through the 2016 election, including changes in virtually all of the boxed materials, the chapter openings, and the data presented. Explores increasing partisan hostility, the status of voter ID laws and other efforts to affect voter turnout, young voters' attitudes and participation, and the role of big givers such as the energy billionaire Koch brothers in the 2016 campaigns. Critically examines the idea that Super PACs are replacing, or can replace, the party organizations in running

campaigns. New and expanded online Instructor's Resources, including author-written test banks, essay questions, relevant websites with correlated sample assignments, the book's appendix, and links to a collection of course syllabi.

Anger and Mourning on the American Right The New Press

Explains the basics of political science *Political Science: An Introduction*, 13/e, provides a comprehensive and jargon-free introduction to the field's basic concepts and themes. It draws examples from the U.S. and other countries to introduce the entire field of political science to new readers. The authors stress how exciting politics can be, balancing practical and theoretical knowledge. MyPoliSciLab is an integral part of the Roskin/Cord/Medeiros/Jones program. Activities and videos help readers engage in the material and retain its main points. Readers can watch videos that explore the key topics of politics and participate in simulations that allow them to experience politics firsthand.

Assessment in MyPoliSciLab helps gauge readers' progress. Note:

Political Science Hachette UK

The 2016 elections took place under intense political polarization and uncertain economic conditions, to widely unexpected results. How did Trump pull off his victory? *Political Behavior of the American Electorate*, Fourteenth Edition, attempts to answer this question by interpreting data from the most recent American National Election Study to provide a thorough analysis of the 2016 elections and the current American political behavior. Authors Elizabeth Theiss-Morse and Michael Wagner continue the tradition of Flanigan and Zingale to illustrate and document trends in American political behavior with the best longitudinal data available. The authors also put these trends in context by focusing on the major concepts and characteristics that shape Americans' responses to politics. In the completely revised Fourteenth Edition, you will explore get-out-the-vote

efforts and the reasons people voted the way they did, as well as the nature and impact of partisanship, news media coverage, and other issues in 2016—all with an eye toward understanding the trends that led up to the historic decision.

The National Book Award Finalist and New York Times bestseller that became a guide and balm for a country struggling to understand the election of Donald Trump "A generous but disconcerting look at the Tea Party. . . . This is a smart, respectful and compelling book." —Jason DeParle, The New York Times Book Review When Donald Trump won the 2016 presidential election, a bewildered nation turned to Strangers in Their Own Land to understand what Trump voters were thinking when they cast their ballots. Arlie Hochschild, one of the most influential sociologists of her generation, had spent the preceding five years immersed in the community around Lake Charles, Louisiana, a Tea Party stronghold. As Jedediah Purdy put it in the New Republic, "Hochschild is fascinated by how people make sense of their lives. . . . [Her] attentive, detailed portraits . . . reveal a gulf between Hochschild's 'strangers in their own land' and a new elite." Already a favorite common read book in communities and on campuses across the country and called "humble and important" by David Brooks and "masterly" by Atul

Gawande, Hochschild's book has been lauded by Noam Chomsky, New Orleans mayor Mitch Landrieu, and countless others. The paperback edition features a new afterword by the author reflecting on the election of Donald Trump and the other events that have unfolded both in Louisiana and around the country since the hardcover edition was published, and also includes a readers' group guide at the back of the book.

Brief Eleventh Edition 1 Volume W. W. Norton

This is the eBook of the printed book and may not include any media, website access codes, or print supplements that may come packaged with the bound book. Learn how American politics affect public policy Government in America : People, Politics and Policy - 2016 Presidential Election(Subscription), 17/e, explores our government 's impact on the daily lives of Americans by focusing on public policy. Authors George Edwards and Martin Wattenberg provide a framework for students to understand the difficult questions that decision makers of both political parties are facing: How should we govern? And, what should government do? In order to boost student engagement with key concepts, the 2016 Elections incorporates coverage of contemporary issues that dominate today 's headlines, as well as the most up-to-date data.

Based on the full edition of American Government: Power and Purpose, this brief text combines concise and up-to-date coverage of the central topics in American government with compelling critical analysis. Offering an array of learning tools, the 2008 Election Update Edition uses a refined pedagogical apparatus to help students approach politics and government analytically. KEY FEATURES o More flexibility to assign supplementary readings. The Brief Tenth edition is the perfect choice for instructors who want the flexibility to assign readings that go beyond the

textbook. Access to the Norton American Politics Online Reader is free with each new copy, offering an affordable way to provide students with a range of readings to complement the textbook. Special package prices are also available with Norton's other readers in American government, *The Enduring Debate and Faultlines*. More, and more thoughtful, pedagogy than other brief texts. Several helpful features appear in each chapter to help students learn and review. New 'Analyzing the Evidence' units use bold graphics to show students 'how we know what we know' about certain political phenomena. 'Core of the Analysis' boxes on the first page of every chapter preview the chapter's analysis. 'In Brief' boxes are unique to the brief edition and at least one appears in each chapter. The boxes summarize fundamental material in the chapter and have proven invaluable in preparing for exams, according to reviewers. 'Key Terms' are boldface in the text and defined in the margin. Numerous figures and tables appear in every chapter. New single-column design is easier to read. Online reader icons next to citations indicate works that are represented in the Norton American Politics Online Reader.

STUDENT RESOURCES The Norton American Politics Online Reader American Government draws on contemporary research and key scholarship to present the field as political scientists understand it today. The Norton American Politics Online Reader includes over 100 important recent articles and foundational works cited in American Government. Perfect for supplementary reading assignments and special projects, an icon next to the citation in the text indicates that a reading is available in the online reader. Student StudySpace The StudySpace student Web site reinforces the analytical framework of American Government in a proven, task-oriented study plan. Each chapter is arranged according to the effective Organize, Learn, and Connect pedagogy:

- o Organize-This section contains:
 - o Progress Reports to help students organize their study time.
 - o Chapter Summaries and Outlines that help students prepare for readings and tests.
 - o Links to the ebook, which integrates online review materials with the book.
 - o Learn-This section contains:
 - o Diagnostic Quizzes that help students study for midterms and finals.
 - o Vocabulary Flashcards that reinforce knowledge of key terms presented in the text.
 - o Connect-This section contains:
 - o Politics in the News RSS Feed-A bi-weekly RSS feed of New York Times articles, annotated by Paul Gronke (Reed College) helps students keep up-to-date with the latest political news.
 - o Analyzing the Evidence Exercises-These interactive exercises are based on the new 'Analyzing the Evidence' units in the text, which explain the significance of the data and the basic methodology that political scientists use to analyze the data

INSTRUCTOR RESOURCES PowerPoint Lecture Slides, Test Bank and an Instructor's Manual.

The Forgotten Story of the Gulf South During America's Revolutionary Era Woodhead Publishing
 The British colony of West Florida—which once stretched from the mighty Mississippi to the shallow bays of the Apalachicola and portions of what are now the states of Florida, Alabama, Mississippi, and Louisiana—is the forgotten fourteenth colony of America's Revolutionary era. The colony's eventful years as a part of the British Empire form an important and compelling interlude in Gulf Coast history that has for too long been overlooked. For a host of reasons, including the fact that West Florida did not rebel against the British Government, the colony has long been dismissed as a loyal but inconsequential fringe outpost, if considered at all. But the colony's history showcases a tumultuous political scene featuring a halting attempt at instituting representative government; a host of bold and colorful characters; a compelling saga of struggle and perseverance in the pursuit of financial stability; and a dramatic series of battles on land and water which brought about the end of its days under the Union Jack. In *Fourteenth Colony*, historian Mike Bunn offers the first comprehensive history of the colony, introducing readers to the Gulf Coast's remarkable British period and putting West Florida back in its

rightful place on the map of Colonial America.

A Brief Introduction Lippincott Williams & Wilkins

A Complete Course in Canning and Related Processes, Fourteenth Edition: Fundamental Information on Canning provides readers with a complete course on canning. This latest edition continues the tradition for both professionals in the canning industry and students who have benefitted from this collection for over 100 years. It contains extensively revised and expanded coverage, and the three-title set is designed to cover all phases of the canning process, including planning, processing, storage, and quality control. Major changes for the new edition include new chapters on regulation and labeling that contrast the situation in different regions worldwide, updated information on containers for canned foods, and new information on validation and optimization of canning processes, among other topics. Continues the tradition of the series that has educated professionals and students for over 100 years. Covers all aspects of the canning process, including planning, processing, storage, and control. Analyzes worldwide food regulations, standards, and food labeling. Incorporates processing operations, plant location, and sanitation.
