The 2016 elections took place under intense political polarization and uncertain economic conditions, to widely unexpected results. How did Trump pull off his victory? Political Behavior of the American Electorate, Fourteenth Edition, attempts to answer this question by interpreting data from the most recent American National Election Study to provide a thorough analysis of the 2016 elections and the current American political behavior. Authors Elizabeth Theiss-Morse and Michael Wagner continue the tradition of Flanigan and Zingale to illustrate and document trends in American political behavior with the best longitudinal data available. The authors also put these trends in context by focusing on the major concepts and characteristics that shape Americans' responses to politics. In the completely revised Fourteenth Edition, you will explore get-out-the-vote efforts and the reasons people voted the way they did, as well as the nature and impact of partisanship, news media coverage, and other issues in 2016—all with an eye toward understanding the trends that led up to the historic decision.

The National Book Award Finalist and New York Times bestseller that became a guide and balm for a country struggling to understand the election of Donald Trump "A generous but disconcerting look at the Tea Party. . . . This is a smart, respectful and compelling book." —Jason DeParle, The New York Times Book Review When Donald Trump won the 2016 presidential election, a bewildered nation turned to Strangers in Their Own Land to understand what Trump voters were thinking when they cast their ballots. Arlie Hochschild, one of the most influential sociologists of her generation, had spent the preceding five years immersed in the community around Lake Charles, Louisiana, a Tea Party stronghold. As Jedediah Purdy put it in the New Republic, "Hochschild is fascinated by how people make sense of their lives. . . . [Her] attentive, detailed portraits . . . reveal a gulf between Hochschild's 'strangers in their own land' and a new elite." Already a favorite common read book in communities and on campuses across the country and called "humble and important" by David Brooks and "masterly" by Atul Gawande, Hochschild's book has been lauded by Noam Chomsky, New Orleans mayor Mitch Landrieu, and countless others. The paperback edition features a new afterword by the author reflecting on the election of Donald Trump and the other events that have unfolded both in Louisiana and around the country since the hardcover edition was published, and also includes a readers' group guide at the back of the book.

The 14th Colony SAGE

Describes the fierce battle that erupted in post-Civil War America over the adoption of the Fourteenth Amendment, the implications of the revolutionary addition to the U.S. Constitution, and the colorful cast of characters involved—including Thaddeus Stevens, Charles Sumner, Frederick Douglass, Susan B. Anthony, and others.

Power and Purpose The New Press

The electrifying new Cotton Malone thriller by international bestseller Steve Berry. People say the Cold War is coming back. For some, it never went away. Shot down over Siberia in what was to be a simple meet-and-greet mission, ex-Justice Department agent Cotton Malone is forced into a fight for survival against Aleksandr Zorin, whose loyalty to the former Soviet Union has festered for decades into an intense hatred of the United States. Before escaping, Malone learns that Zorin is headed for North America to join another long-term sleeper embedded in the West. Armed with a Soviet weapon long thought to be just a myth, Zorin is aided by a shocking secret hidden in the archives of America's oldest fraternal organization, the Society of Cincinnati. Past presidents used this group's military offensive - including advice on the invasion of what was to be America's 14th Colony - Canada. Inauguration Day for a new President of the U.S.A. is only hours away. Zorin's deadly plan is timed to bring about political chaos. In a race against the clock from Russia to the White House itself, Malone must not only battle Zorin, he must also confront his deepest fear, a crippling weakness that he's long denied but one that now jeopardizes everything. Steve Berry's trademark mix of fact, fiction, history and speculation is all here in this fast-paced and utterly compelling new

thriller.

American Government, AP* Edition Jones & Bartlett Publishers

The seventeenth edition of Party Politics in America continues the comprehensive and authoritative coverage of political parties for which it is known while expanding and updating the treatment of key related topics including interest groups and elections. Marjorie Hershey builds on the book's three-pronged coverage of party organization, party in the electorate, and party in government and integrates contemporary examples—such as campaign finance reform, party polarization, and social media—to bring to life the fascinating story of how parties shape our political system. New to the 17th Edition Fully updated through the 2016 election, including changes in virtually all of the boxed materials, the chapter openings, and the data presented. Explores increasing partisan hostility, the status of voter ID laws and other efforts to affect voter turnout, young voters' attitudes and participation, and the role of big givers such as the energy billionaire Koch brothers in the 2016 campaigns. Critically examines the idea that Super PACs are replacing, or can replace, the party organizations in running campaigns. New and expanded online Instructor's Resources, including author-written test banks, essay questions, relevant websites with correlated sample assignments, the book's appendix, and links to a collection of course syllabi.

An Introduction to American Politics W. W. Norton

Students are often hesitant to become involved in the political process. One book changes that. *American Government and Politics Today 2009-2010 Edition*, 14e uses intriguing examples and hands-on exercises to engage students in the fascinating intricacies of American government -- inspiring them to participate in the political process. As it introduces concepts, the text points to specific ways students can participate, showing how individuals -- including students -- can make a profound impact. It illustrates that active participation can be as simple as calling a local politician to share an opinion, registering to vote, or viewing a town council meeting on local access cable -- demonstrating how small steps can make a difference. Helping build students' critical thinking skills, discussions end with questions that prompt students to consider each concept from their point of view as well as the points of view of others and weigh the varying viewpoints. The 14th edition's powerful new administrative DVD and an innovative online Resource Center help instructors maximize their time and student results. The text also includes expanded coverage of the presidential election. Engaging and inspiring, *AMERICAN GOVERNMENT AND POLITICS TODAY*, 14e helps students discover how active, informed citizenship does make a difference.
