Explains the basics of political science  
Political Science: An Introduction, 13/e,  
provides a comprehensive and jargon-  
free introduction to the field's basic  
concepts and themes. It draws  
examples from the U.S. and other  
countries to introduce the entire field of  
political science to new readers. The  
authors stress how exciting politics can  
be, balancing practical and theoretical  
knowledge. MyPoliSciLab is an integral  
part of the Roskin/Cord/Medeiros/Jones  
program. Activities and videos help  
readers engage in the material and  
retain its main points. Readers can  
watch videos that explore the key topics  
of politics and participate in simulations  
that allow them to experience politics  
firsthand. Assessment in MyPoliSciLab  
helps gauge readers' progress. Note:  
MyPoliSciLab does not come  
automatically packaged with this text.

9780205978007 Political Science: An  
Introduction  
How the Loss of Civic Virtue and Standards of  
Excellence Is Causing the End of Pax Americana  
CQ Press

The stability of the U.S. depends on having a  
civic-minded, excellent populace. In modern  
times, the decline of the principles of civic virtue  
and standards of excellence that the Founders  
gained from the ancient Greeks and Romans  
culminated in a Trump presidency, which  
brought an end to Pax Americana.

American Government W.W. Norton & Company

Reproduction of the original: The Right to Privacy by Samuel D. Warren, Louis D. Brandeis

Government in America American Government Roots and Reform 2011 This introductory college level textbook introduces the basic processes of gene transmission, mutation, expression, and regulation. Hartl (Harvard U.) and Jones (Carnegie Mellon U.) present an integrated view of the modern world of genetics, treating classical, molecular, and population genetics as unified subdisciplines within the field. Modern American Government 3e Pearson College Division

Emphasizing the relevance of politics and government in everyday life, We the People provides tools to help students think critically about American government and politics. The Sixth Edition has been carefully updated to reflect most recent developments, including the ongoing conflict in Iraq and the 2006 midterm elections. Complemented by a rich package of multimedia tools for instructors and students, including a new video-clip DVD, We the People is now more pedagogically effective than ever. We the People Yale University Press A fresh, accessible perspective on the fundamentals

The Right to Privacy Taylor & Francis Students are often hesitant to become involved in the political process. One book changes that. American Government and Politics Today 2009-2010 Edition, 14e uses intriguing examples and hands-on exercises to engage students in the fascinating intricacies of American government -- inspiring them to participate in the political process. As it introduces concepts, the text points to specific ways students can participate, showing how individuals -- including students -- can make a profound impact. It illustrates that active participation can be as simple as calling a local politician to share an opinion, registering to vote,

or viewing a town council meeting on local access cable -- demonstrating how small steps can make a difference. Helping build students' critical thinking skills, discussions end with questions that prompt students to consider each concept from their point of view as well as the points of view of others and weigh the varying viewpoints. The 14th edition's powerful new administrative DVD and an innovative online Resource Center help instructors maximize their time and student results. The text also includes expanded coverage of the presidential election. Engaging and inspiring, AMERICAN GOVERNMENT AND POLITICS TODAY, 14e helps students discover how active, informed citizenship does make a difference. The seventeenth edition of Party Politics in America continues the comprehensive and authoritative coverage of political parties for which it is known while expanding and updating the treatment of key related topics including interest groups and elections. Marjorie Hershey builds on the book's three-pronged coverage of party organization, party in the electorate, and party in government and integrates contemporary examples—such as campaign finance reform, party polarization, and social media—to bring to life the fascinating story of how parties shape our political system. New to the 17th Edition Fully updated through the 2016 election, including changes in virtually all of the boxed materials, the chapter openings, and the data presented. Explores increasing partisan hostility, the status of voter ID laws and other efforts to affect voter turnout, young voters' attitudes and participation, and the role of big givers such as the energy billionaire Koch brothers in the 2016 campaigns. Critically examines the idea that Super PACs are replacing, or can replace, the party organizations in running campaigns. New and expanded online Instructor's Resources, including author-written test banks, essay questions, relevant websites with correlated sample assignments, the book's appendix, and links to a collection of course syllabi.

An Introduction W. W. Norton

Americans are losing touch with reality. On virtually every issue, from climate change to immigration, tens of millions of Americans have opinions and beliefs wildly at odds with fact, rendering them unable to think sensibly about politics. In *How America Lost Its Mind*, Thomas E. Patterson explains the rise of a world of “alternative facts” and the slow-motion cultural and political calamity unfolding around us. We don't have to search far for the forces that are misleading us and tearing us apart: politicians for whom division is a strategy; talk show hosts who have made an industry of outrage; news outlets that wield conflict as a marketing tool; and partisan organizations and foreign agents who spew disinformation to advance a cause, make a buck, or simply amuse themselves. The consequences are severe. *How America Lost Its Mind* maps a political landscape convulsed with distrust, gridlock, brinksmanship, petty feuding, and deceptive messaging. As dire as this picture is, and as unlikely as immediate relief might be, Patterson sees a way forward and underscores its urgency. A call to action, his book encourages us to wrest institutional power from ideologues and disruptors and entrust it to sensible citizens and leaders, to restore our commitment to mutual tolerance and restraint, to cleanse the Internet of fake news and disinformation, and to demand a steady supply of trustworthy and relevant information from our news sources. As philosopher Hannah Arendt wrote decades ago, the rise of demagogues is abetted by “people for whom the distinction between fact and fiction, true and false, no longer exists.” In *How America Lost Its Mind*, Thomas E. Patterson makes a passionate case for fully and fiercely engaging on the side of truth and mutual respect in our present arms race between fact and fake, unity and division, civility and incivility.

Book 11 Cengage Learning

The electrifying new Cotton Malone thriller by international bestseller Steve Berry. People say the Cold War is coming back. For some, it never went away. Shot down over Siberia in what was to be a simple meet-and-greet mission, ex-Justice Department agent Cotton Malone is forced into a fight for survival against Aleksandr Zorin, whose loyalty to the former Soviet Union has festered for decades into an intense hatred of the United States. Before escaping, Malone learns that Zorin is headed for North America to join another long-term sleeper

---

embedded in the West. Armed with a Soviet weapon long thought to be just a myth, Zorin is aided by a shocking secret hidden in the archives of America's oldest fraternal organization, the Society of Cincinnati. Past presidents used this group's military offensive - including advice on the invasion of what was to be America's 14th Colony - Canada. Inauguration Day for a new President of the U.S.A. is only hours away. Zorin's deadly plan is timed to bring about political chaos. In a race against the clock from Russia to the White House itself, Malone must not only battle Zorin, he must also confront his deepest fear, a crippling weakness that he's long denied but one that now jeopardizes everything. Steve Berry's trademark mix of fact, fiction, history and speculation is all here in this fast-paced and utterly compelling new thriller.

### America in Decline Macmillan

Covering the entire spectrum of women's healthcare, Berek & Novak's Gynecology, 16th Edition, provides definitive information and guidance for trainees and practicing physicians. A newly streamlined design and brilliant, full-color illustrations highlight must-know content on principles of practice and initial assessment, including relevant basic science; preventive and primary care for women; and methods of diagnosis and management in general gynecology, operative gynecology, urogynecology and pelvic reconstructive surgery, early pregnancy issues, reproductive endocrinology, and gynecologic oncology.

### Party Politics in America Pearson

Based on the full edition of American Government: Power and Purpose, this brief text combines concise and up-to-date coverage of the central topics in American government with compelling critical analysis. Offering an array of learning tools, the 2008 Election Update Edition uses a refined pedagogical apparatus to help students approach politics and government analytically. KEY FEATURES

- o More flexibility to assign supplementary readings. The Brief Tenth edition is the perfect choice for instructors who want the flexibility to assign readings that go beyond the textbook. Access to the Norton American Politics Online Reader is free with each

new copy, offering an affordable way to provide students with a range of readings to complement the textbook. Special package prices are also available with Norton's other readers in American government, The Enduring Debate and Faultlines. o More, and more thoughtful, pedagogy than other brief texts. Several helpful features appear in each chapter to help students learn and review. New 'Analyzing the Evidence' units use bold graphics to show students 'how we know what we know' about certain political phenomena. 'Core of the Analysis' boxes on the first page of every chapter preview the chapter's analysis. 'In Brief' boxes are unique to the brief edition and at least one appears in each chapter. The boxes summarize fundamental material in the chapter and have proven invaluable in preparing for exams, according to reviewers. 'Key Terms' are boldface in the text and defined in the margin. Numerous figures and tables appear in every chapter. New single-column design is easier to read. Online reader icons next to citations indicate works that are represented in the Norton American Politics Online Reader. STUDENT RESOURCES The Norton American Politics Online Reader American Government draws on contemporary research and key scholarship to present the field as political scientists understand it today. The Norton American Politics Online Reader includes over 100 important recent articles and foundational works cited in American Government. Perfect for supplementary reading assignments and special projects, an icon next to the citation in the text indicates that a reading is available in the online reader. Student StudySpace The StudySpace student Web site reinforces the analytical framework of American Government in a proven, task-oriented study plan. Each chapter is arranged according to the effective Organize, Learn, and Connect pedagogy:

- o Organize-This section contains:
- o Progress Reports to help students organize their study time.
- o Chapter Summaries and Outlines that help students prepare for readings and tests.
- o Links to the ebook, which integrates online review materials

---

with the book. o Learn-This section contains: o Diagnostic Quizzes that help students study for midterms and finals. o Vocabulary Flashcards that reinforce knowledge of key terms presented in the text. o Connect-This section contains: o Politics in the News RSS Feed-A bi-weekly RSS feed of New York Times articles, annotated by Paul Gronke (Reed College) helps students keep up-to-date with the latest political news. o Analyzing the Evidence Exercises-These interactive exercises are based on the new 'Analyzing the Evidence' units in the text, which explain the significance of the data and the basic methodology that political scientists use to analyze the data INSTRUCTOR RESOURCES PowerPoint Lecture Slides, Test Bank and an Instructor's Manual.

People, Politics, and Policy W W Norton & Company Incorporated

The National Book Award Finalist and New York Times bestseller that became a guide and balm for a country struggling to understand the election of Donald Trump "A generous but disconcerting look at the Tea Party. . . .

This is a smart, respectful and compelling book." —Jason DeParle, The New York Times Book Review When Donald Trump won the 2016 presidential election, a bewildered nation turned to Strangers in Their Own Land to understand what Trump voters were thinking when they cast their ballots. Arlie Hochschild, one of the most influential sociologists of her generation, had spent the preceding five years immersed in the community around Lake Charles, Louisiana, a Tea Party stronghold. As Jedediah Purdy put it in the New Republic, "Hochschild is fascinated by how people make sense of their lives. . . . [Her] attentive, detailed portraits . . . reveal a gulf between Hochschild's 'strangers in their own land' and a new elite." Already a favorite common read book in communities and on campuses across the country and called "humble and important" by David

Brooks and "masterly" by Atul Gawande, Hochschild's book has been lauded by Noam Chomsky, New Orleans mayor Mitch Landrieu, and countless others. The paperback edition features a new afterword by the author reflecting on the election of Donald Trump and the other events that have unfolded both in Louisiana and around the country since the hardcover edition was published, and also includes a readers' group guide at the back of the book.
