"You've never read a road trip novel like Ailsa McFarlane's *Highway Blue*." —Entertainment Weekly A hypnotic debut of broken love on the run, from a blazingly original young writer "In front of me the long length of the road wound out, wound out and wound on under hot sky. And I drove..." In the lonely town of San Padua, Anne Marie can never get the sound of the ocean out of her head. And it's here—dog-walking by day, working bars by night—where she tries to forget about her ex-husband, Cal: both their brief marriage and their long estrangement. When Cal shows up on Anne Marie's doorstep one day, clearly in trouble, she reluctantly agrees to a drink. But later that night a gun goes off in a violent accident and the young couple are forced to hit the open road together in escape. Crammed in a beat-up car with their broken past, so begins a journey across a vast, mythical American landscape, through the dark seams of the country, toward a city that may or may not represent salvation. *Highway Blue* is a story of being lost and found—and of love, in all its forms. Written in spare, shimmering prose, it introduces the arrival of an electrifyingly singular new voice.

This is an intimate look at a perfectionist mother who learned to live her best life by giving up the reins. Rather than continuing to practice control and conquer parenting she strives to honor the uniqueness of each of her children, accept her own innate mothering style and by slowing down, appreciate the beauty that surrounds her. This books speaks to the masses of mothers who feel uncertain at times and offers a new approach, a new calm and ultimately a new happy place.

The Chainsaw Operator's Manual is an essential safety tool for chainsaw operators. It is the ultimate guide to basic chainsaw operating techniques covering safety, maintenance and cross-cutting, but not tree felling. Detailed diagrams illustrate horizontal, vertical and boring cuts, as well as trimming and cross-cutting techniques. Safety considerations are discussed, including workplace safety, occupational hazards, kick-back and identifying dangerous trees. An explanation of the 'tension' and 'compression' forces in timber is also provided to help you understand where to begin cutting to avoid jamming the saw. The book covers chainsaw

maintenance in detail, explains all aspects of the equipment and helps you select the right chainsaw and personal protection equipment for your needs. Trouble-shooting charts are included to help you solve operating problems. This manual has been updated to take into account the most recent changes in nationally accredited competency standards. It is a must-have for anyone operating a chainsaw.

Dad's Guide to Raising Twins Createspace Independent Publishing Platform

What does a child's ability to look where another is looking tell us about his or her early cognitive development? What does this ability—or lack thereof—tell us about a child's language development, understanding of other's intentions, and the emergence of autism? This volume assembles several years of research on the processing of gaze information and its relationship to early social-cognitive development in infants spanning many age groups. Gaze-Following examines how humans and non-human primates use another individual's direction of gaze to learn about the world around them. The chapters throughout this volume address development in areas including joint attention, early non-verbal social interactions, language development, and theory of mind understanding. Offering novel insights regarding the significance of gaze-following, the editors present research from a neurological and a behavioral perspective, and compare children with and without pervasive developmental disorders. Scholars in the areas of cognitive development specifically, and developmental science more broadly, as well as clinical psychologists will be interested in the intriguing research presented in this volume.

Contemporary romance author AJ Harmon is going to do it again with her new Sky Romance Novels series. Book 1, San Diego - love comes in many forms, is the beginning of this heartwarming and inspirational new series. Building on the success of her First Class Novels series, one of Amazon's bestselling authors, AJ Harmon is going to answer the question we all ask ourselves when waiting in the airport for a flight. "I wonder where they're going...and why?" In "San Diego - love comes in many forms" we will follow three passengers and one member of the crew as they explore, discover and embrace love, passion, loyalty and selflessness to fulfill their desire to love and be loved in return. Flight attendant Jill Delaney has a surprise waiting for her at her destination in San Diego and a life altering decision to make. William Nestor, an esteemed New York Oncologist, flies west after decades of living on the opposite coast to bury his father, where he recognizes an unexpected opportunity to conquer his fear and claim a love that was lost. Will he finally be bold enough to claim what should have been

his twenty-five years ago? Or will he once again retreat from his desires? Annie and Evan Wilder, the perfect couple, travel to San Diego to discover the true meaning of unselfish love and the missing piece to their perfect life, only to be blessed with two miracles instead of just the one they'd spent the past ten years praying for. The heartwarming and inspirational stories you'll follow in "San Diego - love comes in many forms" will brighten your day as you laugh, cry and celebrate love and family with these loveable and relatable characters that AJ Harmon has brought to life.

Annual Home, Hardware, Auto and Leisure Union Square & Co.

Mother. Nun. Bishop. Healer. Teacher. Brother. Businesswoman. Mystic. Convert. These are titles worn by six holy Canadian men and women, now also known by the title of saint. From Canada's first teachers in the 1600s, to a simple religious brother whose prayer effected amazing miracles in the 1900s, these saints remain an example of faith and love today. St. Kateri Tekakwitha, St. Andre Bessette, St. Marie of the Incarnation, St. Marguerite Bourgeoys, St. Francois de Laval, and St. Marguerite d'Youville lived ordinary lives of great service and love to those around them. Filled with stories, word puzzles, colouring pages and more, kids will have fun exploring the lives of these holy men and women. While learning about these six saints, children will also learn about other aspects of the Catholic faith such as spiritual communion, sacramentals, mystics, the corporal works of mercy, and more. Canadian Saints Kids Activity Book is suitable for homeschools, Catholic schools, parish catechism classes or kids

clubs, and more.

Montgomery Ward [catalogue].

Expectant mothers snapped up *Great Expectations: Your All-in-One Resource for Pregnancy & Childbirth* (135,000 copies sold), and reviewers praised it for its warm, reassuring voice of expertise. This is the logical follow-up, an innovative baby book that will guide and reassure new moms and dads through every nuance of the first 12 months of life with baby. Of course, it maintains all the design elements that are the signature of the *Great Expectations* series and have proven so appealing: innovative graphics; clear-cut, contemporary styling; and sensitive drawings of babies as they develop month-by-month. The text, too, continues that same friendly, supportive, parent-to-parent tone of the earlier book—but now with dads playing an integral role. Inside, there's a plethora of information on the nuts and bolts of feeding, diaper changing, and immunizations, as well as cutting-edge research on baby intelligence and development, nutrition and medical care, and insights into the dynamics of the parenting process. Checklists, bulleted sidebars, and quick-reference tables speed up the process of finding needed information. Unique tables in the extensive medical reference section will present the gamut of symptoms, so parents will have help distinguishing between common baby ailments and more serious emergencies that may require immediate attention. Includes a foreword by Dr. Michael Crocetti, Assistant Professor and Director of Clinical Pediatrics, Johns Hopkins Bayview Medical Center, and also an extended resource guide and parent's dictionary.

Guide to Baby Products
