The Chainsaw Operator's Manual is an essential safety tool for chainsaw operators. It is the ultimate guide to basic chainsaw operating techniques covering safety, maintenance and cross-cutting, but not tree felling. Detailed diagrams illustrate horizontal, vertical and boring cuts, as well as trimming and cross-cutting techniques. Safety considerations are discussed, including workplace safety, occupational hazards, kick-back and identifying dangerous trees. An explanation of the 'tension' and 'compression' forces in timber is also provided to help you understand where to begin cutting to avoid jamming the saw. The book covers chainsaw maintenance in detail, explains all aspects of the equipment and helps you select the right chainsaw and personal protection equipment for your needs. Trouble-shooting charts are included to help you solve operating problems. This manual has been updated to take into account the most recent changes in nationally accredited competency standards. It is a must-have for anyone operating a chainsaw.

Buying a Safer Car for Child Passengers North Winds Press

Join Jefferson Bethke, New York Times bestselling author of *Jesus > Religion*, as he challenges the accepted view of contemporary Christianity with the world-changing message that Jesus actually brought. Jesus was most upset at people for seeing but not seeing. For succumbing to the danger and idolatry of forcing God into preconceived human ideals. But what if there were a better way? What if Jesus came not to help people escape the world but instead to restore it? *It's Not What You Think* tells the familiar stories of the scripture in a radically new light, presenting God's unchanging truths from the Old and New Testaments as the challenging story that it is: a mysterious, compelling narrative with God at the center. Along the way, Bethke reminds us of the life-changing message of Jesus that turned the world upside-down--a world that God is putting back together--teaching us how to: Uncover our true purpose and satisfy our longing for significance Find the kingdom of God wherever we are Embrace the gifts of fellowship and community Praise for *It's Not What You Think*: "With a deep discernment of the times we're living in, Jefferson spotlights many misinterpreted truths in the Bible and puts a voice to the true heart of God's Word. His desire to bring us into a more intimate encounter with God jumps off of each page. Christians need this book--now more than ever!" --Lysa TerKeurst, New York Times bestselling author of *Forgiving What You Can't Forget* and president of Proverbs 31 Ministries "It's easy to get stuck in life. To let our faith grow stagnant, our walk grow weary, and our hope grow silent. Jefferson isn't okay with that and has created a book that turns what we think we know upside down. Creative, honest, refreshing. I'm a huge fan of the heart that explodes from this book." --Jon Acuff, New York Times bestselling author of *Do Over: Rescue Monday, Reinvent Your Work & Never Get Stuck*
