Discover all the colors of the rainbow in this jungle story with die-cut pages! In this adorable novelty board book, each spread features jungle animals that are a color of the rainbow; for example: a red snake, an orange monkey, a yellow frog, a green bird, a blue elephant, and a purple butterfly. There is also a die-cut of the corresponding color arc on each spread, so when the reader finishes the book a complete rainbow is formed.

Auto & Traffic Safety Lindhardt og Ringhof
"Blood-boiling...with quippy analysis...Taub proposes straightforward fixes and ways everyday people can get involved in taking white-collar criminals to task."—San Francisco Chronicle How ordinary Americans suffer when the rich and powerful use tax dodges or break the law to get richer and more powerful—and how we can stop it. There is an elite crime spree happening in America, and the privileged perps are getting away with it. Selling loose cigarettes on a city sidewalk can lead to a choke-hold arrest, and death, if you are not among the top 1%. But if you're rich and commit mail, wire, or bank fraud, embezzle pension funds, lie in court, obstruct justice, bribe a public official, launder money, or cheat on your taxes, you're likely to get off scot-free (or even win an election). When caught and convicted, such

as for bribing their kids' way into college, high-class criminals make brief stops in minimum security "Club Fed" camps. Operate the scam from the executive suite of a giant corporation, and you can prosper with impunity. Consider Wells Fargo & Co. Pressured by management, employees at the bank opened more than three million bank and credit card accounts without customer consent, and charged late fees and penalties to account holders. When CEO John Stumpf resigned in "shame," the board of directors granted him a \$134 million golden parachute. This is not victimless crime. Big Dirty Money details the scandalously common and concrete ways that ordinary Americans suffer when the well-heeled use white collar crime to gain and sustain wealth, social status, and political influence. Profiteers caused the mortgage meltdown and the prescription opioid crisis, they've evaded taxes and deprived communities of public funds for education, public health, and infrastructure. Taub goes beyond the headlines (of which there is no shortage) to track how we got here (essentially a post-Enron failure of prosecutorial muscle, the growth of "too big to jail" syndrome, and a

developing implicit immunity of the upper class) and pose solutions that can help catch and convict offenders.

The Perfect Fit Sigma Press

The new edition of *Toward Speaking Excellence* addresses the recent changes to the Test of Spoken English (TSE(R)). The text introduces readers to the format of the new TSE(R), typical questions, and scoring criteria. The second edition of *Toward Speaking Excellence* includes actual student responses that are used or modified to highlight specific characteristics of effective communication. Two complete sample TSE(R)-like tests are included for further practice. Also provided are practice with some of the skills that, while no longer tested on the TSE(R), are key to

sounding more native-like and fluent. Toward Speaking Excellence may be used as an individual study tool or as a course text. While the material is directed toward the TSE(R) and SPEAK(R) tests, the communication strategies presented will prepare students for other types of oral exams (including the TAST(R), interviews, and performance tests. Toward Speaking Excellence is a course book but may also be used for individual test-preparation/self-study. Dean Papajohn is a Specialist in Education at the Center for Teaching Excellence, University of Illinois, Urbana-Champaign..

Fairyland Magic Hamlyn

India will be the world's most populous country by 2024 and its third largest economy by 2028. But the size of our population and a sense of historical greatness alone are insufficient to guarantee we will fulfil our ambition to become a global power. Our approach to realize this vision needs more than just planning for economic growth. It requires a shift in attitudes. In Making India Great, Aparna Pande examines the challenges we face in the areas of social, economic, military and foreign policy and strategy. She points to the dichotomy that lies at the heart of the nation: our belief in becoming a global power and the reluctance to implement policies and take actions that would help us achieve that goal. The New India holds all the promise of greatness many of its citizens dream of. Can it become a reality? The book delves into this question.

Grays Sports Almanac Andrews McMeel Pub

No matter how hard she tries, Triangle doesn't roll like the circles, or stack like the squares. She sets off to find friends that look exactly like her. But when she finds other triangles, playtime isn't as fun. She misses shapes that roll and stack; she misses being different. So she starts a new quest.

Mallard Fillmore lampoons everything from political correctness to Phil, Oprah, and Geraldo to our government's insatiable appetite for spending our money. His marvelous supporting cast includes wickedly wonderful caricatures of everyone who's anyone, from Hollywood to D.C. to Arkansas.

Barr-Hasp little bee books

"This biography of the young Stalin is more than the story of how a revolutionary was made: it is the first serious investigation, using the full range of Russian and Georgian archives, to explain Stalin's evolution from a romantic and idealistic youth into a hardened political operative. Suny takes seriously the first half of Stalin's life: his intellectual development, his views on issue of nationalities and nationalism, and his role in the Social Democratic debates of the late

nineteenth and early twentieth centuries. This book narrates an almost tragic downfall; we see Stalin transform from a poor provincial seminarian, who wrote romantic nationalist poetry, into a fearsome and brutal ruler. Many biographers of Stalin turn to shallow psychological analysis in seeking to explain his embrace of revolution, focusing on the beatings he suffered at the hands of his father or his hero-worship of Lenins, or sensationalizing Stalin's involvement in violent activity. Suny seeks to show Stalin in the complex context of the oppressive tsarist police-state in which he lived and debates and party politics that animated the revolutionary circles in which he moved. Though working from fragmentary evidence from disparate sources, Suny is able to place Stalin in his intellectual and political context and reveal, not only a different analysis of the man's psychological and intellectual transformation, but a revisionist history of the revolutionary movements themselves before 1917"--

Mallard Fillmore--

You survived the twin pregnancy and have brought the twins home. Now the real adventure begins. This guide will walk you through the challenging and exciting aspects of raising twins. You can thrive

as a father of twins even during the crazy early years with twins. In this book, you'll learn how to:

- * Keep balance in your personal life with twins
- * Juggle work and family life
- * Feed your twins and get them on a schedule
- * Get your twins to sleep through the night
- * Keep your twins healthy and deal with inevitable sick kids
- * Encourage individuality in your twins
- * Teach your twins to be self-sufficient
- * Keep your other kid(s) happy along the way
- * Escape diapers and potty train your twins
- * Travel with twins
- * Create and capture memories with your twins

Joe's first book for fathers of twins, the "Dad's Guide to Twins," got you ready for your twins' arrival. This companion book continues the journey and helps you from the moment you get the twins home. It guides you through what to expect and how to handle those precious twins through the first couple of years. If you are expecting twins, have newborns, or are struggling through that first year (or more) with twins, this book is for you. You'll find tips and tricks to tackle each stage of your twins' development plus ideas to improve what you're already doing.

Big Dirty Money

Filmatized in 2013 and the official recipient of three Oscars, Solomon Northup's powerful slave narrative 'Twelve Years a Slave' depicts Nortup's life as he is sold into slavery after having spent 32 years of his life living as a free man in New York. Working as a travelling musician, Northup

goes to Washington D.C, where he is kidnapped, sent to New Orleans, and sold to a planter to suffer the relentless and brutal life of a slave. After a dozen years, Northup escapes to return to his family and pulls no punches, as he describes his fate and that of so many other black people at the time. It is a harrowing but vitally important book, even today. For further reading on this subject, try 'Uncle Tom's Cabin' by Harriet Beecher Stowe. Solomon Northup (c.1807-c.1875) was an American abolitionist and writer, best remembered for his powerful race memoir 'Twelve Years a Slave'. At the age of 32, when he was a married farmer, father-of-three, violinist and free-born man, he was kidnapped in Washington D.C and shipped to New Orleans, sold to a planter and enslaved for a dozen years. When he gained his freedom, he wrote his famous memoir and spent some years lecturing across the US, on behalf of the abolitionist movement. 'Twelve Years a Slave' was published a year after 'Uncle Tom's Cabin' by Harriet Beecher Stowe and built on the anti-slavery momentum it had developed. Northup's final years are something of a mystery, though it is thought

that he struggled to cope with family life after being freed.
