A simple story about complex imaginations, now in board book! All Lucy wants to do is play with her brand-new, bright red wagon. But her mother has other plans for her-and the wagon. Lucy must go to the market and buy vegetables for dinner. Lucy doesn't want to do chores! But she sets off for the market nonetheless, hauling her red wagon with her. Before long, her ordinary trip becomes a high-seas adventure, a ride through outer space, and a day at the circus. As long as she has her red wagon, not even chores can get in the way of Lucy's fun. Renata Liwska's vibrant art takes center stage in this imaginative book for the youngest of readers, just the way it did in her award-winning,

New York Times bestselling titles *The Quiet Book* and *The Loud Book!*, both written by Deborah Underwood. *Vipers and Virtuosos* Pearson Higher Ed Called is the heart-breaking, humorous, and refreshingly honest account of one twenty-something's adventure of learning what it means to be called by God—an adventure that took him to England, C. S. Lewis's house, and back again—and why it was only in the reality of his worst nightmare that he learned what it means to be called. What is it like to be "called" by God for a particular purpose? What can you learn for your own life of faith from such a calling?

Through a series of personal anecdotes, illuminating conversations, and candid reflections, *Called* brings you face-to-face not only with the world of C. S. Lewis, but also with the very real peaks and valleys of pursuing a calling. Seeking to reclaim the uniquely Christian sense of calling, Pemberton shows that God's call cannot be reduced to one's dreams, skills, or passions, vividly and powerfully illustrating how Christ turns ideas of failure and success on their head. *Called* will encourage you to realize God has entered into your story, calling out to you anew each day with the words, "Follow me," leaving you to ask, Will I be obedient to the calling set before me?

Aiden From the second I saw her, I knew she'd be my ruin. Sitting all alone at the bar, she looked like an angel. Eurydice in human form; her beauty eclipsed by demons. Now, I'm one of them. The ghost she's tried for years to escape. Thinking I wouldn't be able to find her. But I never stopped trying, and now that I have, her past sins should be the least of her worries. Riley From the moment he saw me, I knew I'd

ruin his life. Alone at the bar, I dared the monster to come and play. Orpheus in the flesh, with his sad songs and strange obsessions. I became one of them. The siren who calls to the darkest parts of him. Only, I disappeared before he could act on it. But now he's here, and he wants me to repent for my sins. *** *Vipers and Virtuosos is a full-length, standalone dark rockstar romance inspired by the myth of Orpheus and Eurydice. It is NOT fantasy, historical, or a retelling. If you are not a dark romance reader, this book may not be suitable for you. Reader discretion is advised.
