Writing a bunch of comments. Now don't get me wrong. Students need feedback. They need to know how they can improve, and they need to know why they got that grade on their paper. But painstakingly writing dozens of individual comments takes so long, and it can be inefficient when you're writing the same comments over and over on paper after ...

To 'hook' my first grade writers, we built and raced paper airplanes together. It was the perfect time to model the how-to process. As a class we walked through every step of making a paper airplane (from this online tutorial), writing the directions (including time-order words) as we went. We included an illustration, as well, so our reader could also 'see' the steps in making an airplane.
