Sight words are critical to reading not only because they are used so frequently, but also because many of them cannot easily be sounded out or illustrated. Because they are used so often it is important that readers be able to recognize these words on sight. This workbook aims to help children memorize those words by practicing reading, tracing, coloring, and writing which is a fun learning and help them automatically recognize these words in print within three seconds. Ask your child to write the word 5 - 10 times in this journal or on a piece of paper and you will see the great outcome!
