teachers, and covers all the  
requirements of the National  
Curriculum Statement for accounting.  
Grade 11 CAPS, 3 in 1 Cambridge University  
Press  
A less-expensive grayscale paperback version is  
available. Search for ISBN 9781680922936.  
Principles of Accounting is designed to meet

the scope and sequence requirements of a two-semester accounting course that covers the fundamentals of financial and managerial accounting. This book is specifically designed to appeal to both accounting and non-accounting majors, exposing students to the core concepts of accounting in familiar ways to build a strong foundation that can be applied across business fields. Each chapter opens with a relatable real-life scenario for today's college student. Thoughtfully designed examples are presented throughout each chapter, allowing students to build on emerging accounting knowledge. Concepts are further reinforced through applicable connections to more detailed business processes. Students are immersed in the "why" as well as the "how" aspects of accounting in order to reinforce concepts and promote comprehension over rote memorization.

We've all been there-angry with ourselves for overeating, for our lack of willpower, for failing at yet another diet that was supposed to be the last one. But the problem is not you, it's that dieting, with its emphasis on rules and regulations, has stopped you from listening to your body. Written by two prominent nutritionists, Intuitive Eating focuses on nurturing your body rather than starving it, encourages natural

weight loss, and helps you find the weight you were meant to be. Learn: \*How to reject diet mentality forever \*How our three Eating Personalities define our eating difficulties \*How to feel your feelings without using food \*How to honor hunger and feel fullness \*How to follow the ten principles of Intuitive Eating, step-by-step \*How to achieve a new and safe relationship with food and, ultimately, your body With much more compassionate, thoughtful advice on satisfying, healthy living, this newly revised edition also includes a chapter on how the Intuitive Eating philosophy can be a safe and effective model on the path to recovery from an eating disorder.

Earn College Credit with REA's Test Prep for CLEP® Financial Accounting Everything you need to pass the exam and get the college credits you deserve. CLEP® is the most popular credit-by-examination program in the country, accepted by more than 2,900 colleges and universities. For over 15 years, REA has helped students pass CLEP® exams and earn college credit while reducing their tuition costs. Our CLEP® test preps are perfect for adults returning to college (or attending for the first time), military service members, high-school graduates looking to earn college credit, or home-schooled students with knowledge that can translate into college credit. The CLEP® Financial Accounting test prep assesses the skills tested on the official CLEP® exam. Our comprehensive review chapters cover: accounting principles and ethics; forms of business and cycles; the income statement; the balance sheet; statement of cash flows; investments; contingent liabilities, and more.

The book includes two full-length practice tests. Each exam comes with detailed feedback on every question. We don't just say which answers are right-we explain why the other answer choices are wrong-so you can identify your strengths and weaknesses while building your skills. REA is the acknowledged leader in CLEP® preparation, with the most extensive library of CLEP® titles available. Our test preps for CLEP® exams help you earn college credit, save on tuition, and get a college degree.
