"A true classic of world literature . . .

A masterpiece that has inspired generations of writers in Nigeria, across Africa, and around the world."

—Barack Obama "African literature is incomplete and unthinkable without the works of Chinua Achebe." —Toni Morrison Nominated as one of America's best-loved novels by PBS's The Great American Read Things Fall Apart is the first of three novels in Chinua Achebe's critically acclaimed African Trilogy. It is a classic narrative about Africa's cataclysmic encounter with Europe as it establishes a colonial presence on the continent. Told through the fictional experiences of Okonkwo, a wealthy and fearless Igbo warrior of Umuofia in the late 1800s, Things Fall Apart explores one man's futile resistance to

the devaluing of his Igbo traditions by British political and religious forces and his despair as his community capitulates to the powerful new order. With more than 20 million copies sold and translated into fifty-seven languages, *Things Fall Apart* provides one of the most illuminating and permanent monuments to African experience. Achebe does not only capture life in a pre-colonial African village, he conveys the tragedy of the loss of that world while broadening our understanding of our contemporary realities.

The Gift of the Magi Grove Press Luck is a classic humorous short

story written by Mark Twain and first published in 1891. It's about a hero who is really a fool, and why he owes it all to luck. Samuel Langhorne Clemens (November 30, 1835 - April 21, 1910), better known by his pen name Mark Twain, was an American author and humorist. He wrote *The Adventures of Tom Sawyer* (1876) and its sequel, *Adventures of Huckleberry Finn* (1885), the latter often called "The Great American Novel." Twain grew up in Hannibal, Missouri, which provided the setting for *Huckleberry Finn* and *Tom Sawyer*. After an apprenticeship with a printer, he worked as a typesetter and contributed articles to the newspaper of his older brother, Orion Clemens. He later became a riverboat pilot on the Mississippi River before heading west to join Orion in Nevada. He referred humorously to his singular lack of success at mining, turning to journalism for the Virginia City Territorial Enterprise. In 1865, his humorous story, "The Celebrated Jumping Frog of Calaveras County," was published, based on a story he heard at Angels Hotel in Angels Camp, California, where he had spent some time as a miner. The short story brought international attention, and was even translated into classic Greek. His wit and satire, in prose and in speech, earned praise from critics and peers, and he was a friend to presidents, artists, industrialists, and European royalty. Though Twain earned a great deal of money from his writings and lectures, he invested in ventures that lost a great deal of money, notably the Paige Compositor, a mechanical typesetter, which failed because of

its complexity and imprecision. In the wake of these financial setbacks, he filed for protection from his creditors via bankruptcy, and with the help of Henry Huttleston Rogers eventually overcame his financial troubles. Twain chose to pay all his pre-bankruptcy creditors in full, though he had no legal responsibility to do so. Twain was born shortly after a visit by Halley's Comet, and he predicted that he would "go out with it," too. He died the day after the comet returned. He was lauded as the "greatest American humorist of his age," and William Faulkner called Twain "the father of American literature." Twain began his career writing light, humorous verse, but evolved into a chronicler of the vanities, hypocrisies and murderous acts of mankind. At mid-career, with *Huckleberry Finn*, he combined rich humor, sturdy narrative and social criticism. Twain was a master at rendering colloquial speech and helped to create and popularize a distinctive American literature built on American themes and language. Many of Twain's works have been suppressed at times for various reasons. *Adventures of Huckleberry Finn* has been repeatedly restricted in American high schools, not least for its frequent use of the word "nigger," which was in common usage in the pre-Civil War period in which the novel was set.

musical friendship are reflections on how pianos work, their glorious history, and stories of the people who care for them, from amateur pianists to the craftsmen who make the mechanism sing. Despite being born with a proverbial silver spoon in his mouth, Anson grew up to be an egoistic and lonely man. Problems arise in Anson's life when he falls in love with Paula, a woman who is as rich as himself. ‘ The Rich Boy ’ is a short story by F. <p><u>The Piano Shop on the Left Bank</u>          Capstone Classroom          Set in the 1940s and 1960s, Bringing Tony Home is a masterful modern example of a timeless genre, the bildungsroman. In the title novella, a boy returns to his old home to find Tony, his beloved dog who was abandoned when economic circumstances forced the family to leave. “Bringing Tony Home” recounts this perilous journey in detail, movingly tracing the boy’s rescue attempts and his spiraling emotions as he endures changes occurring in his family. In “Elsewhere: Something Like a Love Story,” a young boy finds forbidden love with a schoolmate scorned for her poverty. “Elsewhere” continues their saga, touching on the bittersweet memories they share as adults, and on the woman’s increasingly precarious place in a society concerned only with status. The other stories, “Poor Young Man: A Requiem” and “Hark, The Moaning Pond: A Grandmother’s Tale,” delve into a young man’s relationship with his father as the latter’s fortunes fade, and into the now-mature man’s attempts to come to grips with the death of his grandmother and what she symbolized. Abeysekara’s ability to evoke the sights and sounds of another time and place, and his skill in rendering the inner lives of his characters, make Bringing Tony</p>	<p>Home a remarkable read. The National Interest and Foreign Languages, a Discussion Guide and Work Paper Prepared ... for Citizen Consultations Initiated by the U.S. National Commission for UNESCO. Bloomsbury Publishing          A searing novel, told in letter form, that explores the South African legacy of apartheid through the lens of a woman whose Black son has just murdered a white woman          Mother to Mother is a novel with depth, at once an emotional plea for compassion and understanding, and a sharp look at the impacts of colonialism and apartheid on South African families. Inspired by the true story of Fulbright scholar Amy Biehl’s murder, the book takes the form of a letter to the victim’s mother. The murderer’s mother, Mandisa, speaks of a life marked by oppression and injustice. Through her writing, Mandisa reveals a colonized society that not only allowed but perpetuated violence against women and impoverished Black South Africans under the reign of apartheid. This book is not an apology for the murder but rather something more. It seeks to connect, through empathy and storytelling, one pained mother with another who is grief-stricken and in mourning. A beautifully written exploration of the society that bred such violence, Mother to Mother will</p>	<p>resonate with readers interested in understanding and ending racial injustice, as well as the lasting colonial foundations of oppression.</p>
