The Gift of the Magi is a treasured short story written by O. Henry. A young and very much in love couple can barely afford their one-room apartment, let alone the extra expense of getting Christmas presents for one another. But each is determined to show their love for the other in this traditional time of giving; each sells a thing they hold most dear in order to afford a present, with poignant and touching results that capture their love for one another.

The Kenya Gazette is an official publication of the government of the Republic of Kenya. It contains notices of new legislation, notices required to be published by law or policy as well as other announcements that are published for general public information. It is published every week, usually on Friday, with occasional releases of special or supplementary editions within the week.

My Children! My Africa! (TCG Edition) Theatre Communications Group

In this magical debut -- a finalist for the Pulitzer Prize -- a couple's lives are changed forever by the arrival of a little girl, wild and secretive, on their snowy doorstep. Alaska, 1920: a brutal place to homestead, and especially tough for recent arrivals Jack and Mabel. Childless, they are drifting apart--he breaking under the weight of the work of the farm; she crumbling from loneliness and despair. In a moment of levity during the season's first snowfall, they build a child out of snow. The next morning the snow child is gone--but they glimpse a young, blonde-haired girl running through the trees. This little girl, who calls herself Faina, seems to be a child of the woods. She hunts with a red fox at her side, skims lightly across the snow, and somehow survives alone in the Alaskan wilderness. As Jack and Mabel struggle to understand this child who could have stepped from the pages of a fairy tale, they come to love her as their own daughter. But in this beautiful, violent place things are rarely as they appear, and what they eventually learn about Faina will transform all of them.

Paths to College and Career Jossey-Bass and PCG Education are proud to bring the Paths to College and Career English Language Arts (ELA) curriculum and professional development resources for grades 6 – 12 to educators across the country. Originally developed for EngageNY and written with a focus on the

shifts in instructional practice and student experiences the standards require, Paths to College and Career includes daily lesson plans, guiding questions, recommended texts, scaffolding strategies and other classroom resources. Paths to College and Career is a concrete and practical ELA instructional program that engages students with compelling and complex texts. At each grade level, Paths to College and Career delivers a yearlong curriculum that develops all students' ability to read closely and engage in text-based discussions, build evidence-based claims and arguments, conduct research and write from sources, and expand their academic vocabulary. Paths to College and Career's instructional resources address the needs of all learners, including students with disabilities, English language learners, and gifted and talented students. This enhanced curriculum provides teachers with freshly designed Teacher Guides that make the curriculum more accessible and flexible, a Teacher Resource Book for each module that includes all of the materials educators need to manage instruction, and Student Journals that give students learning tools for each module and a single place to organize and document their learning. As the creators of the Paths ELA curriculum for grades 6 – 12, PCG Education provides a professional learning program that ensures the success of the curriculum. The program includes: Nationally recognized professional development from an organization that has been immersed in the new standards since their inception. Blended learning experiences for teachers and leaders that enrich and extend the learning. A train-the-trainer program that builds capacity and provides resources and individual support for embedded leaders and coaches. Paths offers schools and districts a unique approach to ensuring college and career readiness for all students, providing state-of-the-art curriculum and state-of-the-art implementation.

From best-selling author Holly Webb comes a brand new series full of mystery and intrigue following the adventures of a very determined heroine and her dog!

Holly Webb fans will be thrilled to pieces to discover the adventures of Maisie Hitchens, the pluckiest little detective in Victorian London. Maisie Hitchens lives in her grandmother's boarding house, longing for adventure. She idolizes the famous detective, Gilbert Carrington, and follows his every case. But Maisie is about to be given the opportunity of a lifetime: her own mystery to solve! In the first book in this fantastic new series, Maisie rescues a puppy in peril whilst running an errand, and adopts him. She decides to investigate the puppy's original cruel owner, but instead gets tangled up in an intriguing plot involving stolen sausages, pilfered halfpennies and a fast-paced bicycle chase. The streets of Victorian London are never safe, but Maisie's on the case!

The Chimney Sweeper Harcourt School "Recollections of a Pioneer" is an autobiographical account by J. Watt Gibson, which primarily focuses on the author's participation in the American Civil War. The book was written at the solicitation of many Gibson's friends and acquaintances who urged that his recollections of that period ought to be preserved. It covers the author's first journey to California in the late 1840s, gold mining, crossing the plains with cattle and his experiences during and after the Civil War, and ends with his return to Missouri and getting married in 1868.

The World Book Encyclopedia e-artnow Fourth edition of the best-selling Cambridge English: First (FCE) course, updated to prepare for the 2015 revised exam. The Student's Book without answers contains fresh, updated texts and artwork that provide solid language development, lively class discussion and training in exam skills. The 24 topic-based units include examples from the Cambridge English Corpus to highlight common learner errors, while vocabulary sections informed by the English Vocabulary Profile ensure that students are learning the most useful language required at this level. A phrasal verb list provides a handy reference. The interactive CD-ROM provides comprehensive extra practice of the language and topics covered in the book. Class Audio CDs containing the recordings for the listening exercises are available separately.

The Snow Child John Wiley & Sons

Paths to College and Career is a new, comprehensive English Language Arts curriculum for grades 6 to 12 built from the ground up over a three-year period to address the Common Core State Standards (CCSS) for English Language Arts and Literacy. It reflects a deep understanding of the standards and assessments, and is written with a focus on the shifts in instructional practice and student experiences the standards require. It includes daily lesson plans, guiding questions, recommended texts, scaffolding strategies, and other classroom resources. Paths to College and Career provides teachers, schools, and districts with a concrete and practical ELA instructional program that engages students with compelling and complex texts. At each grade level, Paths to College and Career delivers a yearlong curriculum that develops all students' ability to

- * read closely and engage in text-based discussions,
- * build evidence-based claims and arguments,
- * conduct research and write from sources, and
- * expand their academic vocabulary.

Paths to College and Career's instructional resources address the needs of all learners, including students with disabilities, English language learners, and gifted and talented. The curriculum is flexible, user friendly, engaging, and purposefully built to prepare students for career, college, and life. In Module 3 of Grade 11, students engage in an inquiry-based, iterative process for research. Building on work with evidence-based analysis in Modules 1 and 2 of Grade 11, students explore topics that have multiple positions and perspectives by gathering and analyzing research based on vetted sources to establish a position of their own. Students first generate a written evidence-based perspective, which will serve as the early foundation of what will ultimately become a written research-based argument paper. The research-based argument paper synthesizes and articulates several claims using valid reasoning and relevant and sufficient evidence to support the claims. Students read and analyze sources to surface potential problem-based questions for research, and develop and strengthen their writing by revising and editing.

Objective First Student's Book without Answers with CD-ROM Reagan Arthur Books

Luck is a classic humorous short story written by Mark Twain and first published in 1891. It's about a hero who is really a fool, and why he owes it all to luck. Samuel Langhorne Clemens (November 30, 1835 - April 21, 1910), better known by his pen name Mark Twain, was an American author and humorist. He wrote The Adventures of Tom Sawyer (1876) and its sequel, Adventures of Huckleberry Finn (1885), the latter often called "The Great American Novel." Twain grew up in Hannibal, Missouri, which provided the setting for Huckleberry Finn and Tom Sawyer. After an apprenticeship with a printer, he worked as a typesetter and contributed articles to the newspaper of his older brother, Orion Clemens. He later became a riverboat pilot on the Mississippi River before heading west to join Orion in Nevada. He referred humorously to his singular lack of success at mining, turning to journalism for the Virginia City Territorial Enterprise. In 1865, his humorous story, "The Celebrated Jumping Frog of Calaveras County," was published, based on a story he heard at Angels Hotel in Angels Camp, California, where he had spent some time as a miner. The short story brought international attention, and was even translated into classic Greek. His wit and satire, in prose and in speech, earned praise from critics and peers, and he was a friend to presidents, artists, industrialists, and European royalty. Though Twain earned a great deal of money from his writings and lectures, he invested in ventures that lost a great deal of money, notably the Paige Compositor, a mechanical typesetter, which failed because of its complexity and imprecision. In the wake of these financial setbacks, he filed for protection from his creditors via bankruptcy, and with the help of Henry Huttleston Rogers eventually overcame his financial troubles. Twain chose to pay all his pre-bankruptcy creditors in full, though he had no legal responsibility to do so. Twain was born shortly after a visit by Halley's Comet, and he predicted that he

would "go out with it," too. He died the day Miramax) (General Fiction)

after the comet returned. He was lauded as the "greatest American humorist of his age," and William Faulkner called Twain "the father of American literature." Twain began his career writing light, humorous verse, but evolved into a chronicler of the vanities, hypocrisies and murderous acts of mankind. At mid-career, with Huckleberry Finn, he combined rich humor, sturdy narrative and social criticism. Twain was a master at rendering colloquial speech and helped to create and popularize a distinctive American literature built on American themes and language. Many of Twain's works have been suppressed at times for various reasons. Adventures of Huckleberry Finn has been repeatedly restricted in American high schools, not least for its frequent use of the word "nigger," which was in common usage in the pre-Civil War period in which the novel was set.

As a teenager in today ' s crazy online world, you may think you ' ve got it all sussed out. But even you don ' t know about all the legal pitfalls, hidden dangers and future implications of what you do, see and post online. Selfies, Sexts and Smartphones is the book every teenager (and their parents) should read. It covers all of the major issues teenagers face in the digital age, including cyberbullying, sexting, addiction, internet safety, porn, anxiety, depression, privacy and reputation, and does so within a South African context. Accessible, informative and even fun, this book will help guide you to a happy, rewarding and, most importantly, safe online life. Upon reading Selfies, Sexts and Smartphones, one 17-year-old remarked: ' I feel I need to say thank you for this. It talks about the stuff I deal with every single day. '

Tsotsi Vintage

More than three decades after its first publication, Edward Said's groundbreaking critique of the West's historical, cultural, and political perceptions of the East has become a modern classic. In this wide-ranging, intellectually vigorous study, Said traces the origins of "orientalism" to the centuries-long period during which Europe dominated the Middle and Near East and, from its position of power, defined "the orient" simply as "other than" the occident. This entrenched view continues to dominate western ideas and, because it does not allow the East to represent itself, prevents true understanding. Essential, and still eye-opening, Orientalism remains one of the most important books written about our divided world.
