Written from a Pan-African perspective by a cast of international authors, the book addresses the rapid modernisation and evolution of African entrepreneurship and business practices. It maps new developments in entrepreneurial

ecosystems, technology and digital entrepreneurship, entrepreneurship in conflict zones, and gender and diversity issues. It proposes new models for entrepreneurial financing and explores the contrast between entrepreneurship in high-technology urban centers with peripheral rural districts and conflict zones. Bringing together empirical insights and case studies from countries across Africa,

the Handbook illuminates regional and contextual differences and shares theoretical and practical insights which inform policy and practice. It is an ideal guide for researchers and students working on international business, entrepreneurship and emerging economies. It will also inform policymakers in developing context-informed entrepreneurial policies and initiatives in Africa. University of

Literacy and Reading Programmes for Children and Young People: Case Studies from Around the Globe presents interviews with over 40 librarians from around the world who tell of their library programs. The volumes are arranged geographically with Volume 1 offering interviews from library professionals from the USA and Europe, and with Volume 2 sharing programs from Asia, Africa, Australia, and the Middle East. The volumes highlight the diversity of the types of programs catering	to the varying needs of children and young adults throughout the world. Case studies featured in this book outline the details of programs, events, and activities provided by over 40 organizations in the context of social capital and social inclusion. Each interview chapter discusses the contributions made to literacy development and community building of children and teens. With the many variations and examples of best practice, librarians and educators can glean new ideas for their own programs. The	interviews reveal the challenges and issues faced and the work being achieved in vastly different environments, in many geographic areas, and in diverse economic, social, and cultural contexts. The programs include those of national and state libraries, public libraries, and mobile libraries carried out by public libraries, NGOs, and commercial organizations in both developed and developing countries. They also feature programs of multicultural libraries, libraries for indigenous people, and libraries for

refugees. This publication complements the range of initiatives and activities carried out by IFLA's Libraries for Children and Young Adults Section that supports library services and reading promotion initiatives catering to children and young adults around the world. These volumes are rich in variety and will provide much food for thought for creating unique and successful library programs. Business Studies- (Poonam Gandhi)-2021-22 Class 11 CBSE IGI Global
