On the train, on the beach, on the sofa ... many people in all parts  
of the world enjoy doing wordsearches. If you are studying  
English and want to learn and practise vocabulary related to  
various topics, then this book is for you! The topics reflect the  
kinds of everyday conversations that you might have both with  
native and non-native speakers of English. The topics are also  
those that are typically tested in English examinations  
e.g. TOEFL, Cambridge (First Certificate, Advanced), IELTS, and  
Trinity. Each chapter begins with a list of questions to enable you  
to have a conversation about a particular topic in various  
situations: on a social occasion (e.g. a work dinner, a conference  
lunch, a party); in the classroom during an English lesson; when  
chatting, either face to face or online; and during an English oral  
exam. After the list of questions, you will find a Word List  
associated with the topic and exercises to test your knowledge of  
less common words. The final aim is then to find the words from  
the Word List in the related Wordsearch. Easy English! is a  
series of books to help you learn and revise your English with  
minimal effort. You can improve your English by: reading texts in  
English that you might normally read in your own language e.g.  
jokes, personality tests, lateral thinking games, and  
wordsearches; doing short exercises to improve specific areas  
grammar and vocabulary, i.e. the areas that tend to lead to the  
most mistakes - the aim is just to focus on what you really need  
rather than overwhelming yourself with a mass of rules, many of  
which may have no practical daily value. Other books in the Easy  
English! series include: Wordsearches: Widen Your Vocabulary in  
English Test Your Personality: Have Fun and Learn Useful  
Phrases Word games, Riddles and Logic Tests: Tax Your Brain  
and Boost Your English Top 50 Grammar Mistakes: How to  
Avoid Them Top 50 Vocabulary Mistakes: How to Avoid Them
