Gauteng Department Of Education Past Exam Papers Grade 9
These papers have been written to challenge the most able pupils who are aiming from grade 9s on the new GCSE Maths 9-1 spec from summer 2017. I don't claim the questions are 'Grade 9 Questions'

but the more able student aiming for Grade 9 should be aiming to form logical answers to the questions. The papers are free to download and can be used freely in any school or college to help students but not used in any form to make money or appear on social media.
