She's being held captive. He's the only one who can save her.

Thayer Kent was just going to sleep when she was kidnapped and shoved into a cage. She suddenly finds herself at the mercy of men who stole her to extract information from her father, a powerful Senator. At first she doesn't panic; she likes to think she's pretty tough. But when days turn into weeks and no one rushes to her rescue, she begins to give up hope. Memphis Prescott is a simple country veterinarian who keeps his head down, working in the rural

farms of the Midwest. But he has a secret. A dangerous one. He thought he put his past behind him until two men show up unannounced: one with a taser, the other with the photo of a missing young woman. Now Memphis is in a race against time to find the one woman who is guaranteed to turn his quiet world into a fight for both of their lives. Using his unique powers to find Thayer was the easy part. Keeping her alive may be impossible.

The election of Barack Obama marked a critical point in American political and social history. Did the historic election of a black president actually change the status of blacks in the United States? Did these changes (or lack thereof) inform blacks' perceptions of the President? This book explores these questions by comparing Obama's promotion of substantive and symbolic initiatives for blacks to efforts by the two previous presidential administrations. By employing a comparative analysis, the reader can judge whether Obama did more or less to promote black interests than his predecessors. Taking a more empirical approach to judging Barack Obama, this book hopes to contribute to current debates about the significance of the first African American presidency. It takes care to make distinctions between Obama's substantive and symbolic accomplishments and to explore the significance of both.

#DontPullaCoop Blogger Victory Lennox is on the hunt for professional success, not a man. But when she comes across the deliciously sexy movie star Cooper Fairclough running naked down a country lane—trying to catch up with his ride and his dignity—she wonders if maybe it's time for a fling. Cooper used to have a thing for his little sister's best friend, but back then Victory had been too sweet and innocent for a playboy like him. Now, however, he's done with the limelight and his former wild ways, and it doesn't take him long to realize Victory's grown up to become rather...saucy. Couldn't hurt to date her now, right? When Victory's self-help blog for men called "What NOT to Do in Bed" gains instant success, she's thrilled. But when the public discovers she's dating the infamous Cooper Fairclough, they mistakenly think he's the column's featured Mr. Incompetent. Suddenly, #WhatNOTtoDoinBed, #MisterIncompetent, and #DontPullaCoop go viral, and Cooper's definitely not happy to be thrust back into the spotlight he's fought to avoid. And as the publicity heats up, Victory finds she must choose between the fame she sought and a chance at love.

Building on the groundbreaking research of the MacArthur Foundation's Digital Media and Learning initiative, this book crosses the divide between digital literacies and traditional print culture to engage a generation of students who can read with a book in one hand and a mouse in the other. Reading in a Participatory Culture tells the story of an innovative experiment that brought together playwright and director Ricardo Pitts-Wiley, Melville scholar Wyn Kelley, and new media scholar Henry Jenkins to develop an exciting new curriculum to reshape the middle- and high-school English language arts classroom. This book offers highlights from the resources developed for teaching Herman Melville's Moby-Dick and outlines basic principles of design, implementation, and assessment that can be applied to any text.
