PARENTING NEVER ENDS. From the founders of the #1 site for parents of teens and young adults comes an essential guide for building strong relationships with your teens and preparing them to successfully launch into adulthood. The high school and college years: an extended roller coaster of academics, friends, first loves, first break-ups, driver 's ed, jobs, and everything in between. Kids are constantly changing and how we parent them must change, too. But how do we stay close as a family as our lives move apart? Enter the co-founders of *Grown and Flown*, Lisa Heffernan and Mary Dell Harrington. In the midst of guiding their own kids through this transition, they launched what has become the largest website and online community for parents of

fifteen to twenty-five year olds. Now they ' ve compiled new takeaways and fresh insights from all that they ' ve learned into this handy, must-have guide. *Grown and Flown* is a one-stop resource for parenting teenagers, leading up to—and through—high school and those first years of independence. It covers everything from the monumental (how to let your kids go) to the mundane (how to shop for a dorm room). Organized by topic—such as academics, anxiety and mental health, college life—it features a combination of stories, advice from professionals, and practical sidebars. Consider this your parenting lifeline: an easy-to-use manual that offers support and perspective. *Grown and Flown* is required reading for anyone looking to raise an adult with whom you have an enduring, profound connection. #1 New York Times bestselling author John C. Maxwell believes that any setback, whether professional or personal, can be turned into a step forward when you possess the right tools to turn a loss into a gain. Drawing on nearly fifty years of leadership experience, Dr. Maxwell provides a roadmap for winning by examining the eleven elements that constitute the DNA of learners who succeed in the face of problems, failure, and losses.

1. Humility - The Spirit of Learning
2. Reality - The Foundation of Learning
3. Responsibility - The First Step of Learning
4. Improvement - The Focus of Learning
5. Hope - The Motivation of Learning
6. Teachability - The Pathway of Learning
7. Adversity - The Catalyst of Learning
8. Problems - The Opportunities of Learning
9. Bad Experiences - The Perspective for Learning
10. Change - The Price of Learning
11. Maturity - The Value of Learning

Learning is not easy during down times, it takes discipline to do the right thing when something goes wrong. As John Maxwell often points out--experience isn't the best teacher; evaluated experience is.
