Nivel medio** Editura Universitat de Bucarest - Bucharest University Press Integrating grammar and composition, this comprehensive new edition guides the advanced student through progressively more complex types of writing by organizing the

grammar lessons on a functionalist basis around the needs of composition. This innovative approach to teaching Spanish grammar and composition promotes systematic language development and enables students to strengthen their expressive and editing skills in the language in order to write more effectively and more confidently. Refined by years of classroom testing and analysis of the problems students encounter, this bestselling textbook has been substantially rewritten and incorporates current research in

composition, pedagogy, second-language acquisition, and linguistics. Expanded self-correcting exercises are also available online, making Gramática para la composición one of the most valuable textbooks available for advanced students of Spanish.

FEATURES: * Focuses on work in six level-appropriate types of composition: description, synopsis, personal narrative, creative narrative, exposition, and argumentation; * Based on ACTFL guidelines for students progressing from intermediate to advanced levels of proficiency; * Covers syntax, dictionary skills, problematic word distinctions, and rhetorical features of discourse structure; * Contains exercises on grammar practice, working with sentences and paragraphs, guided essays, and free composition. **NEW TO THE SECOND EDITION:** * Each lesson has been clearly divided into two distinct parts: *Presentación* (material that students prepare before class) and *Aplicación* (the activities they do in class or as homework); * *Prácticas individuales* have been expanded and recreated as self-checking exercises that provide immediate feedback and scoring. These *prácticas* are available for free online at www.gramaticaparaalacomposicion.com; * Images from William Bull's *Visual Grammar of Spanish* help with distinctions that seem difficult; * An *Instructor's Manual*--available for free online--reviews teaching and grading methodology for writing-intensive courses, offers suggestions for syllabus organization and for teaching each lesson, and provides

Acest manual
constituie un suport

teoretic și practic pentru cursurile de Practica limbii spaniole, partea de gramatică, adresat studenților din Universitățile din București care studiază Filologie, Traducere și Interpretare sau Limbi Moderne Aplicate. Vine în continuarea manualului Curso práctico de español. Gramática I. Autorii au elaborat teoria și practica având în vedere nevoile specifice ale studenților de anul II. Manualul acoperă nivelele B1-B2, conform Cadrului European Comun de Referință, deși anumite elemente gramaticale pot depăși nivelul B2 uneori. Cartea este alcătuită din 12 unități și o recapitulare. În fiecare

unitate se explică diferite conținuturi gramaticale ce sunt urmate apoi de o serie de exerciții aplicative. Fiind un mic compendiu de gramatică însoțit de un număr suficient de exerciții, această carte, ce va fi urmată de volumul Gramática II.2, poate fi utilă tuturor celor care învață spaniola și sunt interesați să-și lămurască neclaritățile legate de gramatica acestor limbi și să-și fixeze anumite conținuturi teoretice.
