Thanks to its flexibility, simplicity, and range, MANUAL DE GRAMÁTICA is the most accessible grammar reference for intermediate and advanced Spanish students. It combines clear, easy-to-use charts with detailed grammar presentations in English and offers valuable conceptual distinctions between Spanish and English. Beginning with sentence structure, the text follows a logical progression of topics from parts of speech to verb tenses to the finer points of lexical variation. Facilitating independent study, the online answer key provides students an opportunity to self-correct in practice. The text covers all major grammatical rules of Spanish and offers real-world applications of all grammar points, making it an invaluable reference tool for intermediate and advanced literature and language courses. The Fifth Edition includes enhanced visual clarity and consistency through an updated table format; new and refreshed exercises; and a new chapter on orthography. The authors have also incorporated the revised rules and recommendations published in the new Ortografía de la lengua española by the Real Academia Española and the Asociación de Academias de la Lengua Española. PARA SIEMPRE is an easily accessible, streamlined Introductory Spanish program that focuses on oral production and conversation through modeled dialogs and oral activities. Students are introduced to high-frequency vocabulary and grammatical structures that are necessary for conversing about everyday topics and situations. Presenting grammar as a tool to communicate rather than a set of rules to memorize facilitates active participation in open-ended activities and in-class conversations. The flow of material in each unit is straightforward and easy to follow, and the reachable goals and guidance that students receive as they progress through each unit build a sense of achievement and enjoyment, fostering a continued interest in the study of Spanish at higher levels. JUNTOS is an introductory Spanish program based on the principle of backward design. Project-based assessment tasks -- specifically created to measure identified course competencies for each unit -- drive the classroom activities and online homework that prepare students to complete the assessment tasks successfully. These projects occur at the end of each two-chapter unit, providing a more holistic approach to proficiency assessment. Each unit has a clear learning path that guides students through both the online and face-to-face content. To achieve proficiency, students complete online work in preparation for class, participate in collaborative activities in class, and then complete project-based assessment tasks to demonstrate their skills and knowledge.
