This book teaches the most common ESL grammar points in an accessible way through real ESL errors together with

suggested teaching techniques. Relevant grammar terminology is explained. The four objectives of this book are to help teachers: (1) identify common ESL grammar points and understand the details associated with each one; (2) improve their ability to answer any grammar question on the spot (when on the "hot seat"); (3) anticipate common ESL errors by grammar point, by first language, and/or by proficiency

level; and (4) develop more effective grammar/language learning lessons. These objectives are for all teachers, whether they are teaching grammar directly or indirectly in a variety of classes -- including a grammar class, a writing class, a speaking class, an ESP class, or a K-12 class.
