With Gran Turismo
Sport set to make
its first
appearance on the
latest console
generation in 2017,
the great racing-
sim rivalry has

reared its shiny, chrome head once again. Some contend that the Gran Turismo vs. Forza argument ultimately boils down to whether a player prefers PlayStation or Xbox, but other gamers insist that one franchise is objectively better.

They called it the

5 Series Gran Turismo. It was a rather awkward-looking thing but it was extremely spacious and extremely luxurious. BMW initially said it wouldn't offer the car with xDrive 4WD, but later relented and made this feature available as an option. The 5 Series Gt range was facelifted in 2013, at which point an entry-level four cylinder 520d diesel variant was added to the line-up ...
