Dr. Marty Becker has become known as "America's Veterinarian" because of his educational and entertaining shows and columns. For more than ten years, Dr. Becker has been the popular veterinary contributor to ABC-TV's Good Morning America and is now a member of Core Team Oz on Dr. Mehmet Oz's show. Dr. Becker will help owners solve problems and enhance their bond with their cats through a tip-filled book on everything from finding the right cat to preventing health problems and bad behavior. He will start owners off on the right foot, whether they buy a kitten or adopt an older cat, showing them how to solve the most annoying behavior and cat-care problems--from scratching furniture to not using the litter-box. (Surprising fact: did you know that black cats shed more than light-colored cats?) And he advises owners how to make their own cat toys, and how to save money on medication, both traditional and alternative.

The McLaren M23 first appeared in 1973, and became McLaren's first World Championship winner when Emerson Fittipaldi took the title in 1974. As depicted in the new feature film Rush, James Hunt gloriously repeated the feat in 1976 after a mighty season-long battle with Niki Lauda. Here, in this new Haynes Manual, is unique perspective on what it takes to restore, maintain and race a McLaren M23, as well as an insight into the design, engineering and development of this landmark Formula 1 car.

### Popular Mechanics

The time for "playing small" is well past, but unfortunately we didn't receive an owner's manual when we decided to incarnate and "borrow" these bodies for this human experience. Power tools appear to be everyday devices, but these tools can improve the human experience and build a reality that is constructed on a firm foundation of core values. Learn why you are here, how to use your thoughts to construct a richer reality, and how to create success in relationships, business, wealth and health.
