The information herein was accumulated over fifty some odd years. The collection process started when TV first came out and continued until today. The books are in alphabetical order and cover shows from the 1940s to 2010. The author has added a brief explanation of each show and then listed all the characters, who played the roles and for the most part, the year or years the actor or actress played that role. Also included are most of the people who created the shows, the producers, directors, and the writers of the shows. These books are a great source of trivia information and for most of the older folk will bring back some very fond memories. I know a lot of times we think back and say, "Who was the guy that played such and such a role?"

A PI is hired by a gangster marked for murder: “Benny Cooperman is . . . a lot of fun to hang out with” (Donald E. Westlake). Benny Cooperman is a very effective detective—though he does get a little squeamish when things turn violent. He is snugly tucked in his bed in quiet Grantham, a Canadian town near Niagara Falls, when three unsavory thugs drag him out and present him like a trophy to notorious crime boss Abram Wise. Someone has made two attempts on the gangster's life, and with no one else to turn to, he wants Cooperman to investigate. In this novel from the Arthur Ellis Award-winning author, the

colorful cast includes Wise's two disgruntled ex-wives, an alluring supermodel, an irate foreign car dealer, and an eccentric retired librarian—as Cooperman finds himself entangled in more corruption, vengeance, and intrigue than one could ever imagine existing in a sleepy little village . . .

“The Cooperman novels are heavy on full-bodied characters, sharp dialogue, and rich humor.”
