"An amazing novel, one which interrogates,

with such controlled and beautiful writing, what it means to be Southern. Utilizing a unique form and a carefully crafted mystery, Bobotis is a writer capable of deep truths, and this novel announces her as a major voice." —Kevin Wilson, author *The Family Fang*, *Perfect Little World*, and *Baby, You're Gonna Be Mine* Judith inherited all the Kratt family had to offer — the pie safe, the copper clock, the murder that no one talked about. She's presided over the house quite well, thank you very much, admittedly with some help from her companion, Olva. But her wayward younger sister suddenly returns home after decades, sparking an inventory of all that belongs to them. Set in the hard-luck cotton town of Bound, South Carolina — which the Kratts used to rule

but which now struggles to contain its worst instincts — the new household overflows with memories. Interweaving the present with chilling flashbacks from one fateful evening in 1929, Judith pieces together a list of what matters. Untangling the legacy of the family misfortunes will require help from every one of them, no matter how tight their bond, how long they've called Bound home, or what they own.

One of the four great tragedies—alongside Hamlet, King Lear, and Macbeth—Othello is among the darkest of Shakespeare's plays, illuminating the shadows of the gloomiest recesses of the human psyche and serving as a damning indictment of the world in which it was written. A cautionary tale of the destructiveness of sin and the ruinous consequences of bad philosophy, Othello seems to express Shakespeare's rage at the cynicism and brutality of the age in which he lived. From the Machiavellian menace of Iago to the blind and prideful jealousy of Othello, this classic of world literature shows us the

shadow falling over a society that has turned its Press

back on the light and life of virtue. The Ignatius Critical Editions present a tradition-oriented approach to reading Western classics. While many critical editions view literature through the lens of modernism and post-modernism, this series offers critical examinations informed by the Judeo-Christian heritage as passed down through the ages—the same heritage that provided the crucible in which the great authors formed these classic works. The series is ideal for academic study and for anyone wishing to understand the great literary works of Western civilization in the company of some of the finest literature professors alive today.

After the trouble starts and the soldiers arrive on Matilda's island, only one white person stays behind. Mr. Watts, whom the kids call Pop Eye, wears a red nose and pulls his wife around on a trolley, and he steps in to teach the children when there is no one else. His only lessons consist of reading from his battered copy of *Great Expectations*, a book by his friend Mr. Dickens. For Matilda, Dickens's hero Pip becomes as real to her as her own mother, and the greatest friendship of her life has begun. Soon Mr. Watts's book begins to inflame the children's imaginations with dreams about Dickens's London and the larger world. But how will they

answer when the soldiers demand to know: where is this man named Pip? Set against the stunning beauty of Bougainville in the South Pacific during the civil war in the early 1990s, Lloyd Jones's breathtaking novel shows what magic a child's imagination makes possible even in the face of terrible violence and what power stories have to fuel the imagination.
