"What are your laws," Mrs. Millwood asks, "but the fool's wisdom and the coward's valor, the instrument and screen of all your villainies by which you punish in others what you act out yourselves, had you been in their circumstances? The judge who condemns the poor man for being a thief had been a thief himself, had he been poor. Thus you go on deceiving and being deceived, harassing, plaguing, and destroying one another, but women are your universal prey." First performed in 1731, The London Merchant became one of the most popular plays of the century. A chronicler of the age, Theophilus Cibber called it "almost a new species of tragedy."

"An amazing novel, one which interrogates, with such controlled and beautiful writing, what it means to be Southern. Utilizing a unique form and a carefully crafted mystery, Bobotis is a writer capable of deep truths, and this novel announces her as a major voice." —Kevin Wilson, author *The Family Fang*, *Perfect Little World*, and *Baby, You're Gonna Be Mine* Judith inherited all the Kratt family had to offer — the pie safe, the copper clock, the murder that no one talked about. She's presided over the house quite well, thank you very much, admittedly with some help from her companion, Olva. But her wayward younger sister suddenly returns home after decades, sparking an inventory of all that belongs to them. Set in the hard-luck cotton town of Bound, South Carolina — which the Kratts used to rule but which now struggles to contain its worst instincts — the new household overflows with memories. Interweaving the present with chilling flashbacks from one fateful evening in 1929, Judith pieces together a list of what matters. Untangling the legacy of the family misfortunes will require help from every one of them, no matter how tight their bond, how long they've called Bound home, or what they own.
