incredibly
important to

invested during
pre-reading will

pay off when you

2. Reflection on why I Chose The Great Gatsby I chose this novel after reading great reviews on this book. After reading this book, a reader can learn so much from it and apply the lessons they have learned in real life. Unlike the other novels, this novel explored universal themes- human follies, hopelessness of societal

constructs and a man ' s struggle with time and fate.
