2. Reflection on
why I Chose The
Great Gatsby I
chose this novel
after reading great
reviews on this
book. After reading
this book, a reader
can learn so much
from it and apply
the lessons they
have learned in
real life. Unlike
the other novels,
this novel explored
universal themes-
human follies,
hopelessness of
societal constructs
and a man's
struggle with time
and fate.
