This edited collection will turn a critical spotlight on the set of texts that has constituted the high school canon of literature for decades. By employing a set of fresh, vibrant critical lenses—such as youth studies and disabilities studies—that are often unfamiliar to advanced students and scholars of secondary English, this book provides divergent approaches to traditional readings and pedagogical practices surrounding these familiar works. By introducing and applying these interpretive frames to the field of secondary English education, this book demonstrates that there is more to say about these texts, ways to productively problematize them, and to reconfigure

how they may be read and used in the classroom.

F. Scott Fitzgerald's the Great Gatsby

Grove/Atlantic, Inc.

An immensely pleasurable biography of two interwoven, tragic figures: John Keats and F. Scott Fitzgerald. In this radiant dual biography, Jonathan Bate explores the fascinating parallel lives of John Keats and F. Scott Fitzgerald, writers who worked separately—on different continents, a century apart, in distinct genres—but whose lives uncannily echoed. Not only was Fitzgerald profoundly influenced by Keats, titling *Tender is the Night* and other works from the poet's lines, but the two shared similar fates: both died young, loved to drink, were plagued by tuberculosis, were haunted by their first love, and wrote into a new decade of release, experimentation, and decadence. Both were outsiders and Romantics, longing for the past as they sped blazingly into the future. Using Plutarch's ancient model of "parallel lives," Jonathan Bate recasts the inspired lives of two of the greatest and best-known Romantic writers. Commemorating both the bicentenary of Keats' death and the centenary of the Roaring Twenties, this is a moving exploration of literary influence.

This study explores the vestiges of primitive sacrificial rituals that emerge in a group of canonical modernist novels, including *The Turn of the Screw*, *Heart of Darkness*, *The Good Soldier*, *The Great Gatsby*, and *To the Lighthouse*. It argues that these novels reenact a process that achieved its seminal expression in the Genesis story of *The Binding of Isaac*, in which Abraham, having been prevented from sacrificing Isaac, offers up a ram in his place. Modernist reenactments of this pattern present narrators who, although vigorously protesting the victimization of certain characters,

unfailingly seize upon others as their surrogates. Each novel is designed in such a way, however, as to resist the reconstruction of a sacrificial ritual to which its narrator is prone. The resulting tension between the binding and unbinding of ritual persecution dramatizes the paradox that we can neither believe convincingly in the guilt of our scapegoats nor imagine a society that has dispensed with them entirely. Thomas Cousineau is Professor of English at Washington College in Maryland.

The "Fresh Air" book critic investigates the enduring power of *The Great Gatsby* -- "The Great American Novel we all think we've read, but really haven't." Conceived nearly a century ago by a man who died believing himself a failure, it's now a revered classic and a rite of passage in the reading lives of millions. But how well do we really know *The Great Gatsby*? As Maureen Corrigan, *Gatsby*

lover extraordinaire, points out, while Fitzgerald's masterpiece may be one of the most popular novels in America, many of us first read it when we were too young to fully comprehend its power. Offering a fresh perspective on what makes Gatsby great-and utterly unusual-So We Read On takes us into archives, high school classrooms, and even out onto the Long Island Sound to explore the novel's hidden depths, a journey whose revelations include Gatsby's surprising debt to hard-boiled crime fiction, its rocky path to recognition as a "classic," and its profound commentaries on the national themes of race, class, and gender. With rigor, wit, and infectious enthusiasm, Corrigan inspires us to re-experience the greatness of Gatsby and cuts to the heart of why we are, as a culture, "borne back ceaselessly" into its thrall. Along the way, she spins a new and fascinating story of her own.
