Basics of the Biblical Greek is an entirely new, integrated approach to teaching and learning New Testament Greek. It makes learning Greek a natural process and shows from the very beginning how an understanding of Greek helps in understanding the New Testament. Basics of Biblical Greek: combines the best of the deductive and the inductive approaches, explains the basics of English grammar before teaching Greek grammar, uses from the very beginning parts of verses from the New Testament instead of 'made-up' exercises, includes at the beginning of every lesson a brief devotional, written by a well-known New Testament scholar, that demonstrates how the principles taught in the lesson apply directly to an understanding of the biblical text, is the most popular first-year Greek course used in colleges and seminaries today, comes with an interactive study aid CD-ROM, containing an eight-minute greeting from the author and the fun, helpful, and graphical vocabulary-memorizing program 'Learning the Basics of Biblical Greek' (runs on Power Mac and Windows 95), where you can hear Greek words pronounced and sung in more than 200 familiar hymns. The CD-ROM also contains the powerful Greek vocabulary-drilling programs Flashworks(TM) and Parseworks from Teknia Language Tools (runs on Macintosh and Windows 3.1 and 95). A separate workbook is also available. And complimentary teacher helps are located on the author's website (<http://www.homeschooling.org>).

Whose face launched a thousand ships? Who dropped an apple to win a race? What creature has the head of a woman, the body of a lion, the wings of an eagle, and always wakes up on the wrong side of the bed? The Oracle knows and so will young readers after they encounter the strange creatures, exotic gods, and exciting stories in *Z is for Zeus: A Greek Mythology Alphabet*. Human endeavors are often at odds with the whims and the will and the ways of the gods. Although they're up in Olympus without any cares, they just can't stop meddling in human affairs. Helen Wilbur, who wrote the lively *M is for Meow: A Cat Alphabet*, brings the same wit and wisdom to explaining Greek mythology. Colorful, entertaining artwork from Victor Juhasz, the illustrator behind *D is for Democracy* and *R is for Rhyme*, keeps pace with the lively subject matter. Former librarian Helen L. Wilbur has been enchanted with Greek mythology all her life. She has a BA in English Language and Literature from the University of Chicago and a master's degree in library science from Columbia University. Helen also authored *M is for Meow: A Cat Alphabet*. She lives in New York City. Victor Juhasz's clients include *TIME*, *Rolling Stone*, *The New York Times*, *The Washington Post*, and *Warner Books*. He also illustrated *D is for Democracy: A Citizen's Alphabet*; *R is for Rhyme: A Poetry Alphabet*; *Everyone Counts: A Citizen's Number Book*; and *H is for Honor: A Military Family Alphabet*. He lives in the New York Berkshires region.

Greek Mythology for Teens takes classical mythology to a new level by relating ancient stories to the culture, history, art, and literature of today. The book uses the innovative approach of reader's theater to teach mythology to teens, asking them to act out the stories and become engaged in a common learning experience. By looking at topics instrumental to both mythology and modern culture, teens are encouraged to question topics such as heroism, foolishness, love, and more. Each chapter builds on a particular theme found in the central myth and includes activities, discussion questions, and exercises that connect the myth to the modern world and everyday life. Visually appealing sidebars also give background on Greek and Roman mythology and culture. *Greek Mythology for Teens* takes the classic myths taught in school and turns them into an engaging, interesting, and modern way of looking at old material.
