The Defense Department maintains over 560,000 buildings at approximately 500 domestic and overseas military installations, which account for about 40% of its greenhouse gas emissions.
Green paper - Wikipedia
The Defence Industry Policy statement will refocus Defence's relationship with Australian

industry to support the plans in the Defence White Paper. The Government's defence strategy is supported by increased defence funding, which will grow to two per cent of Australia's Gross Domestic Product by 2020-21, three years ahead of the Government's 2013 election commitment.
