Hey Grinderscape! We

would like for you to
take the time to help
us with improvements
to make Grinderscape
feel more at home.
All things you will
submit will be a
suggestion (So don't
expect them to be
added we'd need to
review every single
thing that's
submitted.) And after
idea's are submitted
we review them and
poll them back
towards you guys to
confirm what you
really want or need.

Grinder Buying Guide. The
basic choice: It must be a flat
or conical burr grinder
always. The picture below is
from a Eureka grinder. It
must be a good quality
grinder because there are
burr grinder and burr
grinders, usually they cannot
grind fine enough for an
Espresso machine.

A test is a unit of work against which statistics are recorded. Tests are uniquely defined by a test number and also have a description. Users specify which tests to run using a test script. If you wish your scripts can report many different actions (e.g. different web page requests) against the same test, The Grinder will aggregate the results.
