Growing Up Social: Raising Relational Kids in a Screen ...

As an audiobook, Growing Up Social was a quick listen and the content was reassuring though it did fall into some of the old traps of “violent videogames are bad” and limiting technology usage is the only way to raise relational kids. It was fairly common knowledge but others might have some “ah-ha” moments

in the context of their own children.

Growing Up Social – The 5 Love Languages®

Growing Up Social Raising Relational Growing Up Social - The 5 Love Languages® Gary Chapman (of The 5 Love Languages) and Arlene Pellicane have waded through all these questions in their book Growing Up Social: Raising Relational Kids in a Screen-Driven World. In a chatty style with plenty of anecdotes they discuss the basics of raising children

who can relate well to others, not only to screens. **Growing Up Social: Raising Relational Kids in a Screen**

...

replace interactions with other
human beings."
Growing Up Social Book

Review

In their new book, *Growing Up Social: Raising Relational Kids in a Screen-Driven World*, Gary Chapman and Arlene Pellicane draw attention to the fact that, on average, American children spend 53 hours a week with media and technology, which inhibits their ability to interact with others and develop strong interpersonal relationships.
