wants to be "raising relational kids in a screen-driven world." "There is no app or video game that can replace interactions with other human beings."

Book Review: Growing Up Social: Raising relational kids in ...

“ Researchers are concerned that when screen time goes up, empathy goes down. Kids are exposed to violence in video games, which can desensitize them to pain in others, bullying, and acts of violence. ” Gary Chapman, Growing Up Social: Raising Relational Kids in a Screen-Driven World
Growing Up Social: Raising Relational Kids in a Screen ...

As an audiobook, Growing Up Social was a quick listen and the content was reassuring though it did fall into some of the old traps of “ violent videogames are bad ” and limiting technology usage is the only way to raise relational kids. It was fairly common knowledge but others might have some “ ah-ha ” moments in the context of their own children.
