Francisco

Some of us have
that special person
we are connected to
long before we
arrive in this world.
Some of us have
that special person
we are connected to
long after everyone
else has forgotten
them. This story is
about such a
person, my Dawn.
The one I will
always miss seeing
standing on our
porch and waiting

for me to come back
to Sarajevo, to come
back home.

Our Children Can
Soar Harper Collins
Rosa sat so Martin
could march. Martin
marched so Barack
could run. Barack ran
so Our children can
soar. This is the seed
of a unique and
inspirational picture
book text, that is part
historical, part poetry,
and entirely
inspirational. It
symbolically takes the
reader through the
cumulative story of
the US Civil Rights
Movement, showing
how select pioneers'
achievements led up
to this landmark
moment, when we
have elected our first
black President. Each
historical figure is
rendered by a different
award-winning
African-American

that bears her name,
tells her
extraordinary story,
and shares simple

and inspiring strategies anyone can use to achieve their goals and dreams.

Growing Up X
Harper Collins

The author and poet's graceful elegy about life, love, work, and growing older: "The most moving and the most thoughtful [of her] journal-memoirs" (The Plain Dealer, Cleveland). When May Sarton uprooted her life after fifteen years in the refurbished New Hampshire house with the garden she tended so lovingly, she relied solely on instinct. And something told her it was time to move

on. Accompanied by her wild cat, Bramble, and Tamas, a Shetland shepherd puppy—the first dog she ever owned—Sarton embarked on the next chapter of her life. The house she chose by the sea in the Maine village of York is completely isolated except during the summer months. Surrounded by nothing but endless ocean, woods, and vast skies, Sarton experiences a rare sense of peace. She creates a new garden and fears that in this tranquil state, she may never write again. But in her solitude—with its occasional interruptions for trips away and visits from friends—she realizes that creativity is constantly renewing itself. This journal offers fascinating insight into a remarkable woman and the work and friendships that form the twin pillars of her life. This ebook features an extended biography of May Sarton.

Profiles Betty Shabazz's life before, during, and after her marriage to Malcolm X, exploring her efforts to move beyond the often extraordinary personal tragedy touching her and

her family.

The Personal Touch

Bloomsbury

Publishing USA

Warm, feisty, and intelligent, the

Delany sisters speak their mind in a book that is at once a vital historical record and a moving portrait of two remarkable women who continued to love, laugh, and embrace life after over a hundred years of living side by side. Their sharp memories

show us the post-Reconstruction South and Booker T. Washington;

Harlem's Golden Age and Langston Hughes, W.E.B. Du

Bois, and Paul Robeson. Bessie breaks barriers to become a dentist;

Sadie quietly integrates the New

York City system as a high school teacher.

Their extraordinary story makes an important contribution to our nation's heritage--and an indelible impression on our lives.

What Momma

Left Me

Mysterious Press

The first, definitive biography of one of the most important, controversial, and outspoken athletes of the 20th century. He intimidated people on and off the football field. He was brutal yet brilliant, narcissistic yet magnanimous, relentless yet

unyielding. Most of all, he was the greatest football player of all time.

He was Jim Brown. A legend in his own time, Jim Brown was revered as an athlete, actor, and unflinching symbol of black pride and self-reliance. In this moving book, Mike Freeman offers the first definitive portrait of the sports star. Based on interviews with Brown, his family, friends, and colleagues, Jim Brown is an honest, complete picture of the man and his turbulent

times. Part biography, part cultural history, it is a quintessential American tale—a story of adversity, adulation, tenacity, inspiration, and pride.

In his critically acclaimed bestseller *Rain of Gold*, Victor Villase-or brought his mother's family vividly to life. In *Wild Steps Of Heaven*, he turns to his father's family, the Villase-ors. Against a vivid backdrop of love and war, magic and heroism, the author breathes life into his father's people--and in particular, the Villase-or

women*Margarita, the earth gave them roots. indomitable matriarch who was swept away by Don Juan Jesus Villase-or on the eve of the Mexican revolution*their beautiful daughters, who find strength and endurance in their mother's faith, and searing passion amidst the turmoil of war. But it is little Juan, the youngest son, through whose eyes this tumultuous saga unfolds. Juan would learn from his brother Jose, a hero of the revolution, how to be a man; and from his beloved mother, how to live and love con gusto y amor. A story of madness and miracles, rage and redemption, *In Wild Steps Of Heaven* creates a riveting portrait of an extraordinary family and the country whose women*
Margarita, the earth gave them roots. One World
BONUS: This edition contains a When Skateboards Will Be Free discussion guide. “The revolution is not only inevitable, it is imminent. It is not only imminent, it is quite imminent. And when the time comes, my father will lead it.” With a profound gift for capturing the absurd in life, and a deadpan wisdom that comes from surviving a surreal childhood in the Socialist Workers Party, Saïd Sayrafiezadeh has crafted an unsentimental, funny, heartbreaking memoir. Saïd’s

<p>Iranian-born father and American Jewish mother had one thing in common: their unshakable conviction that the workers' revolution was coming. Separated since their son was nine months old, they each pursued a dream of the perfect socialist society. Pinballing with his mother between makeshift Pittsburgh apartments, falling asleep at party meetings, longing for the luxuries he's taught to despise, Saïd waits for the revolution that never, ever arrives. "Soon," his mother assures him, while his long-absent father quixotically</p>	<p>runs as a socialist candidate for president in an Iran about to fall under the ayatollahs. Then comes the hostage crisis. The uproar that follows is the first time Saïd hears the word "Iran" in school. There he is suddenly forced to confront the combustible stew of his identity: as an American, an Iranian, a Jew, a socialist... and a middle-school kid who loves football and video games. Poised perfectly between tragedy and farce, here is a story by a brilliant young writer struggling to break away from the powerful mythologies of his upbringing and</p>	<p>create a life—and a voice—of his own. Saïd Sayrafiezadeh's memoir is unforgettable. <i>X</i> Chicago Review Press Rediscover New York Times bestselling, Newbery Honor- and Coretta Scott King Author Award-winning author Renée Watson's heart-rending debut, about one girl's journey to reconnect to joy. <i>Serenity</i> is good at keeping secrets, and she's got a whole lifetime's worth of them. Her mother is dead, her father is gone, and starting</p>
---	---	--

life over at her grandparents' house is strange. Luckily, certain things seem to hold promise: a new friend who makes her feel connected, and a boy who makes her feel seen. But when her brother starts making poor choices, her friend is keeping her own dangerous secret, and her grandparents put all of their trust in a faith that Serenity isn't sure she understands, it is the power of love that will repair her heart and keep her sure of just who she is. Renée Watson's

stunning writing shines in this powerful and ultimately uplifting novel. *Fire in the Streets* Createspace Independent Pub An inspiring picture book profile of the iconic civil rights leader's childhood, written by his daughter, describes how young Malcolm's optimism and faith were challenged by intolerance and a series of tragedies that compelled him to learn self-reliance and how to embrace his individuality to reach his highest

potential.

Little X Skyhorse
Twins Nikki and Maya Younger always agreed on most things, but as they head into their senior year they react differently to the gentrification of their Portland, Oregon, neighborhood and the new--white--family that moves in after their best friend and her mother are evicted.

Malcolm Little Dial Press

The Autobiography of Malcolm X was intended to be a true autobiography, with the name of Alex Haley appearing not at all or as a ghost writer or as a mere

contributor or assistant. However, with the assassination of Malcolm X having occurred in Harlem in New York City on February 21, 1965 just before this book could be published, it became necessary to reveal the important role of Alex Haley in creating this book.

When

Skateboards Will Be Free

Simon and Schuster

It's conventional wisdom that Hollywood has no use for a woman over forty. So it's a good thing that Diahann Carroll—whose winning, sometimes

controversial career breached racial barriers—is anything but conventional. Here she shares her life story with an admirable candidness of someone who has seen and done it all. With wisdom that only aging gracefully can bestow, she talks frankly about her four marriages as well as the other significant relationships in her life, including her courtship with Sidney Poitier; racial politics in Hollywood and on Broadway; and the personal cost, particularly to her

family, of being a pioneer. Carroll's storied history, blunt views, and notorious wit will be sure to entertain and inform.

Wild Steps of

Heaven

One World Margarita is a girl from two worlds. Her heart lies in Cuba, her mother's tropical island country, a place so lush with vibrant life that it seems like a fairy tale kingdom. But most of the time she lives in Los Angeles, lonely in the noisy city and dreaming of the summers when she can take a plane through the enchanted air to her beloved island.

Words and images are her constant companions, friendly and comforting when

the children at school are not.

avoid the errors of her mother, who had sacrificed her own needs for her children.

Womanish

Thorndike Striving Reader

Malcolm X grew to be one of

America's most influential figures.

But first, he was a boy named Malcolm Little.

Written by his daughter, this inspiring picture book biography celebrates a vision of freedom and justice. Bolstered by the love and wisdom of his large, warm family, young Malcolm Little was a natural born leader. But when confronted with intolerance

and a series of tragedies, Malcolm's optimism and faith were threatened. He had to learn how to be strong and how to hold on to his individuality. He had to learn self-reliance. Together with acclaimed illustrator AG Ford, Ilyasah Shabazz gives us a unique glimpse into the childhood of her father, Malcolm X, with a lyrical story that carries a message that resonates still today—that we must all strive to live to our highest potential.
