Growth Strategy Solutions  
We wanted to understand better how businesses consider and pursue growth along three strategies: investing in existing high-growth activities by reallocating funds from a variety of sources; creating new products,

services, or business models; and performing better by constantly optimizing their core commercial capabilities, such as sales, pricing, and marketing.

**10 Marketing Strategies to Fuel Your Business Growth**  
A growth strategy is a plan of action that

allows you to achieve a higher level of market share than you currently have. Contrary to popular belief, a growth strategy is not necessarily focused on short-term earnings—growth strategies can be long-term, too. Let's keep that in mind with the following examples. Another thing to keep in mind is that there are typically 4 types of strategies that roll up into a growth strategy. You might use one or all of the following:

[Growth Strategy Solutions, LLC in Draper, UT | Company ...](#)

Possibly, the most recognizable practice of this growth strategy is by adopting the franchise model, which was how Walmart, Subway and The Body Shop grew. The Body Shop, which was originally a UK brand, was able to enter other markets in more than 60 countries all over the world.

**4 Real Growth Strategy Examples & What to Take from Them ...**

Examples of successful growth strategies

1. Facebook. Facebook is ubiquitous today, but when it launched in 2004, it was one of several social media networks.
2. Amazon. Amazon's retail dominance began in 1995. Back then, consumers were not used to buying online. Despite that,...
3. Dollar Shave ...
