### Version History - GSAK

GSAK is a geocache manager where you can manage your final waypoints, add notes or waypoints to geocache or import/export geocaches from/to GSAK. More about GSAK >> This add-on provides connection between GSAK database where geocaches are saved, and Locus Map. Locus Map can display all your GSAK geocaches, manage final waypoints, view listings etc.

### manual:user guide:geocaching:import [ Locus Map ...

The first thing you need to do is to get information into your GSAK database. Although you can do this manually by adding your own waypoints, the easiest way to do this is to use the main menu option "Geocaching.com access=>Get geocaches" Another way is to load a GPX or LOC file. Also, please see items 2 and 10 of the GSAK FAQ GPX files can come from many sources, but the most common is from ...

### GSAK Help Contents - GSAK (Geocaching Swiss Army Knife)

GSAK returns to the grid view, and the only caches displayed are now Traditional caches within 20 miles (or Kms) of your home location! To cancel the filter (view all of your caches again), go to Search>Cancel Filter or click on the big red X button on the toolbar.

### GSAK FAQ

Distances are based on Beechcraft Travelair D95A Owners Manual, charts on pages 6-20 and 6-21 (see notes on page 34 of this appendix. ... GSAK is also equipped with one nacelle tank in each wing but these are not serviceable and will not be discussed here other than to say that the selectors for the nacelle tanks must be left in the off ...

### geocass.wordpress.com

The handhelds are preferred, but when my kids and grandson all go geocaching we each like to have a GPS so we put the nuvi's in service. There is a new GSAK macro for the nuvi named Nuvi\_GPX\_by\_CT.Gsk that replaces the one referenced by gelfling6 and works well with the current version of GSAK.

GSAK now includes a GSAKSqliteSpy.dll Added language support for Spanish and Catal.
