水浒传 :

中国古典名著图画故事(说明华英对照)

Haynes Manuals N. America, Incorporated

This encyclopedic art book charts the history of camouflage from its inspiration in nature, through its adoption by the military, to its current uses in design and popular culture.

Divided into two books totaling 944 pages, DPM offers comprehensive coverage of this multifaceted and highly engaging subject. It

contains more than 5,000 images by the world's leading nature, military and fashion photographers. It includes a comprehensive guide to the camouflage patterns issued to soldiers of 107 nations around the world and documents the rise of camouflage outside the armed forces - its use by anti-war protestors in the 1960s, further exploration by modern artists, and reinvention within areas such as fashion, architecture, music, film and sport. Depictions of camo-clad cultural icons such as David Beckham, Robert De Niro, U2, Notorious B.I.G., Ali G, Neneh Cherry and Joe Strummer illustrate the theme. Rescuing camouflage from its unhappy associations with war and conflict, this book emphasizes its natural beauty. It is the modern reference guide for both the novice and the seasoned camoufleur.

an encore ? hammer a nail into their nose. For those who enjoy living life without serious injury, simply reading the book is enough, with tongue in cheek instructions and step-by-step illustrations showing every gruesome move. Danger: this book could seriously damage your health

Permission to be Tough: Raising Boys to be Rugged Gentlemen Haynes Manuals N. America, Incorporated

Rugged Gentlemen will not answer all the questions that surface in our parenting. I do trust it to open the awareness of simple things, which when done daily, and with a hefty dose of love, will become a starting point to recreate a society determined to develop a healthy mentality of empathy as we learn to fight a growing society rife with self-centered, potentially narcissistic adults. I intend

to build an awareness of what lies before us if we continue to turn our heads and to participate in developing a new attitude: proudly show we focus more on the kind of children we are leaving the world, than the world we seek to leave them.
