One day motivational leader Greg Wright realized that the four set of pretty young eyes under his own roof were looking to Dad to be strong, fearless, and wise. The reality was, the lone male in an all-girl household ("heck, even the dog was female") was only thirty years old and felt like he had been shoved into the deep end of the estrogen pool without swimming lessons. That's when the love-struck father of four gorgeous pre-teens started searching for a plan for how to be a successful Dad, and did what any sensible guy would do. He bailed. Not only on his family, but into the woods, to seek a "solution." Daddy Dates is an entertaining and practical look at how one American father found his sea legs and is navigating through the tricky waters of parenting girls. In this game-changing

book, Greg shares his easy-to-follow secrets for how married and single dads can go beyond high-fiving to bridge the gender gap and become the clued-in man who knows his daughter best. Dads have more influence on their girls than anyone. Learn what makes your daughter tick, how to talk to her effectively and connect more profoundly, at any age. If being their hero is your mission, it's not impossible. Daddy Dates is your road map to get there. "Hi honey. It's Daddy. I'm calling to see if you'd like to go on a date with me tonight." "Um, yes, Daddy I think I would." It's a phone call Greg Wright has made over and over again. By age thirty, Greg was the overwhelmed father of four beautiful little girls, with one thought running through his mind over and over again: Don't Screw Up. Daddy Dates is about a guy taking his best shot at being a successful dad by trying to know his girls?really know their fears, dreams, and opinions?and how he stumbled across an incredible strategy to do that with daughters of any age or stage. This funny, insightful, and relatable book poses the wildly original concept that should be a "duh" for most dads?but isn't. In order to raise a confident woman-to-be, show your daughter what it feels like to be treated with love, respect, and true interest by a man who loves her. Daddy Dates is not another "how to" book from a parenting expert. It's a personal, eye-opening, often humorous look at an Average Joe's intentional pursuit of his daughter's hearts and minds, and the love-inspired steps he is taking to solidify Dad's place in each of their lives, forever. Whether married or single, Daddy Dates can help you better connect with virtually all of the females in your life. Using Greg's communication cues, you'll be blown away by what you'll learn about your child, and how you can make a powerful, lasting difference?especially during her rocky teenage years. Daddy Dates is about one thing?becoming her hero?one date at a time. Endorsements: –Matt Crossman, Senior Writer for SPORTING NEWS magazine (and father of 2 daughters) DADDY DATES wondrously focuses men (and the women who love them) on the affirmation & empowerment a father's creative attention, energy, and love can have on the precious daughters in our lives. –Jan Goldstein, bestselling author of THE BRIDE WILL KEEP HER NAME (and father of 3) It's an easy thing to say that any father with a daughter should read this book. Our Wives Under the Sea Hay House, Inc
"A truly addictive read" (Glamour) about how a young woman's crush on a privileged former classmate becomes a story of love, lies, and dark obsession, offering stark insights into the immigrant experience, as it hurtles to its electrifying ending in this "twisty, unputdownable, psychological thriller" (People). Ivy Lin is a thief and a liar—but you'd never know it by looking at her. Raised outside of Boston, Ivy's immigrant grandmother relies on Ivy's mild appearance for cover as she teaches her granddaughter how to pilfer items from yard sales and second-hand shops. Thieving allows Ivy to accumulate the trappings of a suburban teen—and, most importantly, to attract the attention of Gideon Speyer, the golden boy of a wealthy political family. But when Ivy's mother discovers her trespasses, punishment is swift and Ivy is sent to China, and her dream instantly evaporates. Years later, Ivy has grown into a poised yet restless young woman, haunted by her conflicting feelings about her upbringing and her family. Back in Boston, when Ivy bumps into Sylvia Speyer, Gideon's sister, a reconnection with Gideon seems not only inevitable—it feels like fate. Slowly, Ivy sinks her claws into Gideon and the entire Speyer clan by attending fancy dinners, and weekend getaways to the cape. But just as Ivy is about to have everything she's ever wanted, a ghost from her past resurfaces, threatening the nearly perfect life she's worked so hard to build. Filled with surprising twists and a nuanced exploration of class and race, *White Ivy* is a "highly entertaining," (The Washington Post) "propulsive debut" (San Francisco Chronicle) that offers a glimpse into the dark side of a woman who yearns for success at any cost.

The House of Broken Angels Thomas Nelson
New York Times Bestseller Stop—and even reverse!—age-related weight gain and muscle loss with the first-ever weight-loss plan specifically designed to shrink your belly, extend your life, and create your healthiest self at mid-life and beyond. You don't have to gain weight as you age. That's the simple yet revolutionary promise of The Whole Body Reset, which uncovers why standard diet and exercise advice stops working for us as we approach midlife—and reveals how simple changes to the way we eat can halt, and even reverse, age-related weight gain and muscle loss. The Whole Body Reset presents stunning new evidence about the power of "protein timing" for people at midlife—research that blows away current government guidelines, refutes the myth of slowing metabolisms and "inevitable" weight gain, and changes the way people in their mid-forties and older should think about food. The Whole Body Reset explains in simple, inspiring terms exactly how our bodies change with age, and how eating to accommodate those changes can make us respond to exercise as if we were twenty to thirty years younger. Developed by AARP, tested by a panel of more than 100 AARP employees, and approved by an international board of doctors, nutritionists, and fitness experts, The Whole Body Reset doesn't use diet phases, eating windows, calorie restriction, or other trendy gimmicks. In this madcap journey, a bestselling journalist investigates psychopaths and the industry of doctors, scientists, and everyone else who studies them. The Psychopath Test is a fascinating journey through the minds of madness. Jon Ronson's exploration of a potential hoax being played on the world's top neurologists takes him, unexpectedly, into the heart of the madness industry. An influential psychologist who is convinced that many important CEOs and politicians are, in fact, psychopaths teaches Ronson how to spot these high-flying individuals by looking out for little telltale verbal and nonverbal clues. And so Ronson, armed with his new psychopath-spotting abilities, enters the corridors of power. He spends time with a death-squad leader institutionalized for mortgage fraud in Cocksackie, New York; a legendary CEO whose psychopathy has been speculated about in the press; and a patient in an asylum for the criminally insane who insists he's sane and certainly not a psychopath. Ronson not only solves the mystery of the hoax but also discovers, disturbingly, that sometimes the personalities at the helm of the madness industry are, with their drives and obsessions, as mad in their own way as those they study. And that relatively ordinary people are, more and more, defined by their maddest edges.
