After publishing two books on Amazon

Kindle under my pen name Ethan Dorian

the thought of writing another book wasn't something I really wanted to pursue. But with a head full of words, a creative mind and the prospect and excitement of a new challenge, I decided it was time to put pen to paper and write a few song lyrics. Some of the titles and stories are inspired from my two books and some are based around experience and lifetime choices. I've enclosed a selection of song lyrics generally comprising of four verses and two choruses for each song. With a talented musician I think some of these lyrics have the potential of being turned into very good songs.
