However, trick questions can stump anyone.

Common sense and experience will not help you answer these tricky questions. Even though some of the answers are logical or rely on common sense, your first thought is quite often incorrect. Some trick questions are funny, some are a play on words, and some involve looking at things differently.

The funny thing is that the usage of "guess what" is generally in a sentence spoken fast enough the listener doesn't actually have enough time to guess anything. You know
