Increasingly, writing handbooks are seen as over-produced and overpriced. One stands out: *The Broadview Guide to Writing* is published in an elegant but simple format, and sells for roughly half the price of its fancier-

looking competitors. That does not change with the new edition; what does change and stay up-to-date is the book's contents. For the sixth edition the coverage of APA, Chicago, and CSE styles of documentation has been substantially expanded; the MLA section has now been fully revised to take into account all the 2016 changes. Also expanded is coverage of academic argument; of writing and critical thinking; of writing about literature, of paragraphing; of how to integrate quoted material into one's own work; of balance and parallelism; and of issues of gender, race, religion etc. in writing. The chapter "Seeing and Meaning: Reading (and Writing About) Visual Images" is entirely new to the sixth edition.

By making *Three Simple Rules and Five Marks of a Methodist* accessible for a current United Methodist and Wesleyan audience, Abingdon Press has reintroduced Wesley's formative identity and boosted our way of Christian living in thousands of congregations. The next most important document that Wesley delivered to the rapidly expanding societies and congregations was *The Wesley Covenant Prayer and Renewal Service* from 1755, which are crucial to Methodist identity. This service, a liturgical event in 1755, was preceded by several mornings of teaching from John Wesley about "the means of increasing serious religion." Charles Wesley also wrote a hymn supporting the prayer – "Come, Let Us Use the

Grace Divine." Over the millennia since 1755, many Methodists have used this liturgy on New Year's Eve – the Watch Night Service – as a service of renewal of the individual's covenant with God for the coming year. More recently many churches have found other opportunities to provide this opportunity for the congregation. Wesley's covenant renewal can function now as an accessible church-wide campaign that culminates in the liturgical affirmation and faithful promise to love God and neighbor faithfully. The campaign could be: 1) Used during Advent and culminate on New Year's Eve with the Covenant prayer committed to memory and resolve. 2) Used from mid-September, with emphasis on homecoming and harvest, and culminated with the liturgical event on All Saint's Day. 3) Used prior to Lent and culminate on Ash Wednesday, or 4) Used during Lent and culminate on during holy week (read prior to the passion of Jesus).

In watching NBC's "The Office," one can reflect on the common office-place interplay and recall their own, similar situations in their own work environments. How many times has a worker "goofed off" when the boss is out of the office, or played a potentially damaging "prank" on a co-worker? Herein lies the inspiration for this book. "The Office: An American Workplace" (as the pilot episode was originally titled) is a humorous and sometimes entirely too accurate portrayal of the American Workplace, and therein an ideal demonstration of many topics that are taught in today's business schools. Most obviously, topics of Organizational Behavior and Human Resource Management are demonstrated, but the list does not end there. The pedagogical use of "The Office" is not limited to the examples in this text but only by one's imagination. This book sets out to inform OB/HR instructors about the entertaining and informative use of "The Office" for use in their classroom.
