Fulfillment and customer service are where business reputations and relationships are instantly won and lost. The Definitive Guide to Order Fulfillment and Customer Service is the most authoritative, complete, best-practice guide to excelling in these crucial supply chain processes. Whether you're a practitioner or a student, the authors help you thoroughly understand all facets of modern fulfillment and customer service. They help you clarify how your customer envisions value, so you can deliver on the metrics that matter most to them. Then, starting from this customer-centric foundation, they guide you through optimizing key processes, designing better strategies, configuring more effective fulfillment networks, leveraging new technology, and using metrics to improve. Throughout, key ideas are supported by examples, charts, graphs, summaries, references, and more: everything you need to master the concepts and apply them in your own career.
