Owners of guide dogs share a special bond with their animal. Many report that the animal is a member of the family and, often, the handler goes to their animal for comfort and support. The animal isn't seen as a working animal, but more as a loyal friend. However, it is important to remember that guide dogs are working animals and should not be distracted or treated as a pet while they are working.

Guide dogs are trained to ignore all distractions around them and to focus solely on their owners ' needs. Therefore, you should not pet, feed, whistle at, or talk to a guide dog without asking the owner first. Often, reliance on a guide dog is the only thing standing between the owner and serious injury

or death.
