IPad Pro Infinity Guides
Are you an IT professional involved in deploying the iPhone and or iPad in your company or organization? Do you have fellow employees who are eager to use their iPhones and iPads for work? Then this is the book for you. Enterprise iPhone and iPad Administrator's Guide provides step-by-step instructions

on how to deploy and integrate the iPhone within a range of professional environments—from large businesses and educational institutions to medium-sized offices. This book ensures that the process is achieved in a streamlined, efficient, and cost-effective manner. The guide begins with an introduction to basic deployment concerns, then moves into actual methods and tools that you can use to streamline the deployment process. Next, an in-depth discussion of configuration and provisional profiles helps you deliver solid device setup, security, and adherence to organization policies. Finally, you'll learn how to use existing help desk teams to

provide effective user support. Also included is coverage of the latest iPhone- and iPad-specific enterprise technologies (such as push notification and calendaring tools) as well as internal iPhone and iPad applications and web-based solutions for businesses. Exploring Apple iPad iPadOS 14 Edition Apress The iPad Survival Guide organizes the wealth of knowledge about the iPad into one place, where it can be easily accessed and navigated for quick reference. Unlike the official iPad manual, the survival guide is not written like a book in paragraph form. Instead, every instruction is broken down into clear and

concise steps. The iPad Survival Guide provides useful information not discussed in the iPad manual, such as tips and tricks, hidden features, troubleshooting advice, as well as advice on how to solve various Wi-Fi issues. You will also learn how to download FREE games and FREE eBooks, how to PRINT right from your iPad, and how to make VOICE CALLS with the use of a simple application. Whereas the official iPad manual is stagnant, this guide goes above and beyond by discussing recent known issues and solutions that may be currently available. This information is constantly revised for

a complete, up-to-date manual. This iPad guide includes:
