A national bestseller! Breast cancer surgeon Dr. Kristi Funk offers a comprehensive and encouraging approach to breast care and breast cancer. Empower yourself with facts and strategies to understand your breasts, reduce your cancer risk, and open your eyes to interventions and treatments. Most women don't want to hear about breast cancer unless they have it and need to make some decisions, but these days news about breast cancer—the number one killer of women ages twenty to fifty-nine—is everywhere. Chances are you know someone who has had it. But did you know that choices you make every day bring you closer to breast cancer—or move you farther away? That there are ways to reduce your risk

factors? And that many of the things you've heard regarding the causes of breast cancer are flat-out false? Based on Dr. Kristi Funk's experience as a board-certified breast cancer surgeon, she knows for a fact that women have the power to reduce breast cancer risk in dramatic ways. Many women believe that family history and genetics determine who gets breast cancer, but that's not true for most people. In fact, 87 percent of women diagnosed with breast cancer do not have a single first-degree relative with breast cancer. This book will help you: Learn the breast-health basics that every woman should know Reduce your cancer risk and recurrence risk based on food choices and healthy lifestyle changes backed by rigorous scientific research Understand the controllable and uncontrollable risk factors for breast cancer Outline your

medical choices if you're at elevated risk for or are already navigating life with breast cancer. There have been few solid guidelines on how to improve your breast health, lower your risk of getting cancer, and make informed medical choices after treatment—until now. With her book available in 10 languages and in more than 30 countries, Dr. Funk is passionate about her mission of educating as many women as possible about what they can do to stop breast cancer before it starts. Praise for *Breasts: The Owner's Manual*: “Dr. Funk writes *Breasts: The Owner's Manual* just like she talks: with conviction, passion, and a laser focus on you.” —Dr. Mehmet Oz, Host of *The Dr. Oz Show* “*Breasts: The Owner's Manual* will become an indispensable and valued guide for women looking to optimize health and minimize breast illness.” —Debu Tripathy, MD,

Professor and Chair, Department of Breast Medical Oncology, University of Texas MD Anderson Cancer Center “*Breasts: The Owner's Manual* not only provides a clear path to breast health, but a road that leads straight to your healthiest self. A Guide to teaching the 12 Steps. The Sponsor's 12 Step Manual is an (independent) approach to delivering the program of A.A. that will help people learn faster and remember more. The manual uses a six-point method of teaching to reinforce learning and to increase comprehension and promote

awareness of the Steps to its fullest extent. The process starts with understanding the language used in the Steps and progresses on to an in depth study of what is in the literature and how it applies to an individual. The six levels also cover self reflection and creativity with the final level of each Step looking at how a sponsee may carry the message to a newcomer. This is not a 'stand alone' book, for it to work you will also need to have access to A.A.s Big Book and The 12 Steps and 12 Traditions. Now available in a NEW WORKBOOK EDITION. The #1 bestseller that gives YOU complete control over your body and your health. In this updated and expanded edition, America's favorite doctors, Michael Roizen and Mehmet Oz, discuss how YOU actually have control over your genes. Discover how diseases start and how they affect your body—as well as advice on how to prevent and beat conditions that threaten your quality of life. YOU: The Owner's Manual challenges preconceived notions about how the human body works and ages, and takes you on a fascinating grand tour of all your blood-pumping, food-digesting, and numbers-remembering systems and organs—including the heart, brain, lungs,

immune system, bones, and sensory organs. There are also 100 questions asked by you, and answered by the experts. For instance, do you know which of the following statements are true? As you increase the amount you exercise, the rewards you gain from it increase as well. If you're not a smoker, you have nothing to worry about when it comes to your lungs. Your immune system always knows the difference between your own cells and enemy invaders. The biggest threat to your arteries is cholesterol. Memory loss is a natural, inevitable part of aging. Stress is the greatest ager, and controlling it changes which of your genes is on. Did you answer "true" for any of the above? Then take a look inside. Complete with exercise tips, nutritional guidelines, simple lifestyle changes, and alternative approaches, YOU: The Owner's Manual

debunks myths and gives you an easy, comprehensive, and life-changing How-To plan—as well as great-tasting and calorie-saving recipes—that can help you live a healthier, younger, and better life. Be the best expert on your body!

Guidelines for Reporting Health Research is a practical guide to choosing and correctly applying the appropriate guidelines when reporting health research to ensure clear, transparent, and useful reports. This new title begins with an introduction to reporting guidelines and an overview of the importance of transparent reporting, the characteristics of good

guidelines, and how to use reporting guidelines effectively in reporting health research. This hands-on manual also describes over a dozen internationally recognised published guidelines such as CONSORT, STROBE, PRISMA and STARD in a clear and easy to understand format. It aims to help researchers choose and use the correct guidelines for reporting their research, and to produce more completely and transparently reported papers which will help to ensure reports are more useful and are not misleading. Written by the authors of health research reporting guidelines, in association with the EQUATOR

(Enhancing the QUALity and Transparency Of health Research) Network, Guidelines for Reporting Health Research is a helpful guide to producing publishable research. It will be a valuable resource for researchers in their role as authors and also an important reference for editors and peer reviewers. National Geographic Books At Last!
